

## Check List for In-Class Critiques

### GENERAL

- What is good? What could be done better and how?
- Refer to a minimum of three Best Practices that are being followed or violated.

### DESIGN

- Is the design consistent? Spacing?
- Is there a clear main package? If not, what could/should have been done?
- Do headlines keep word phrases together and do they reflect what is in the story?

### PHOTOS

- Do the photos tell stories?
- Do the cutlines follow our guidelines?

### WRITING (for each story)

- Comment on leads?
- Comment on use of sources (number and quality)
- Are there spelling, grammar, factual, or style errors that need to be addressed?
