...AND A BULLETIN IS BORN

Volume 1, number 1. The first in a procession of newsheets for endless years to come. The number evokes an image of future greatness. We see a beautiful campus, a tremendous school with an enrollment of several thousand young men and women intent upon the serious business of getting a college education here, in our own community.

Here will be a community home for both gravity and fun, a cultural haven for poor and rich alike, a laboratory where one may explore the mysteries of hydrogen fire and rock dust. Here may be nurtured a Magellan of the spaceways, a Curie, a Hemingway. And it shall be yours, your creation.

This newsheet too, we hope, will become yours, your own gathering place, your own forum. Won't you please let us have your comments, suggestions, newsbits? Just drop them off with Madge Coto in the office. Gracias!

PROFILE OF OUR FIRST STUDENT BODY PRESIDENT

James Crabb, 10350 Faywood St., Bellflower, is our Volume 1 student body president. It's Sgt. Crabb, really, for prexy is on active duty at March Air Force Base, and commutes 120 miles a day! He is a management analysis technician, sort of like an industrial engineer. He's been in the service nine years, mostly navy, and expects to wind up as a 20-year man. His goal is auditing. He is enrolled in accounting 1A, is signed up for accounting 1B and economics next semester.

Sarge expects to get a student body activity program rolling real soon. The first project on the agenda is a dance. "About time we all get acquainted," he said.

NATIONAL FOOTBALL FIGURE JOINS CERRITOS JC STAFF

Nation-wide sport news releases Monday will announce the resignation of Earl L. Klapstein as assistant coach for the Green Bay Packers, pro football team, to become chairman of the P.E. department, athletic director, and football coach of Cerritos Junior College.

Klapstein played professional football with the Pittsburg Steelers under Jock Sutherland, and was freshman football coach for Jess Hill at the University of Southern California. He was line coach at the University of Idaho, and head coach of the Stockton College football, track, and swimming teams. Prior to his college coaching experience he served for two years as P.E. director at Manteca High School.

The new CJC physical education director received his M.A. degree at College of the Pacific, took graduate work at Washington State, and is currently working on his doctor's degree in P.E. at USC.

He is 34, married, has three children, aged 3, 6, and 10, is a Masonic lodge member and an Elk. He has been active many years in youth welfare activities. Klapstein assumes his directorship at Cerritos February 4.
