**"FROSTED FANTASY" SET FOR DECEMBER 19;
WINTER FORMAL AT PACIFIC COAST CLUB**

Cerritos College's student leaders are completing plans for what is to be the social event of the Fall semester. The Falcon student body will attend the year's first formal dance, "Frosted Fantasy."

The event will take place after the Christmas holiday has started for the students, on December 19. Selected as the site for the winter formal, is the Pacific Coast Club in Long Beach. The Cavaliers have been selected as the orchestra.

Prices for the dance are \$3 per couple for full-time student body card holders; \$4 per couple for part-time ASB card holders; and \$4.50 for students without cards but in attendance at the college.

Tickets may be purchased from any member of the student council. Exchange the receipt at the Student Personnel Office for a bid. No one will be admitted with a receipt.

VETERANS INFORMATION REPORTED

Good news will be coming to Falcon students under the Korean GI Bill. The news will come in the form of their monthly allowance checks. Veterans Administration reports that the checks, which are normally made out and mailed around the 20th of each month, will be mailed earlier in December so that veterans will not have to meet the Christmas holidays without funds.

The VA offices report that most veterans will get their checks before the school lets out for the recess.

VA offices also are reminding veterans that promptness and accuracy are the most important factors involved in returning monthly GI training reports.

The VA offices suggest: Turn in your monthly certificate as soon after the end of the month as possible. Late certificates usually mean late checks. Also, each veteran should look the certificate over carefully to make sure that it is accurate. A change in training status, absences, and changes of address should be particularly noted. Inaccurate reports can only cause the individual veteran trouble and delay.

EARLY COUNSELING AND REGISTRATION URGED

Students who are currently enrolled at Cerritos College and plan to attend again in the Spring Semester, are urged to make appointments for counseling in Room 725 at the Artesia High campus. Class schedules for the coming semester are now available.

Students who are candidates for graduation in June 1959 should file a "Petition to Graduate" with the counseling office.

Counseling of new students will begin on Monday, January 5.

**FALCONETTES PLAN LARGER GROUP NEXT FALL;
NEW MEMBERS BEING URGED TO SIGN FOR TRYOUTS**

The Falconettes, Cerritos College's newest service club and precision flag-twirling drill team, plans to double its strength by next Fall. The group performed to pleased audiences at all but the first Cerritos home football game.

Instructor Joan Schutz, the group's advisor, also announced that tryouts are going to be scheduled in April or May of 1959. Schutz stated that, "Ability to twirl double flags will be a major factor in the selecting of the '59 team."

The current team has 12 members and included Bertha Gomez, Joyce Bunnell, Jennie Moreno, Iris Marek, Judy Zittel, Dorene Nunley, Sandy Walberg, Marge Kennedy, Helen Larrabee, Caroline Tubbs, Sharon Cook, and Betty Shotwell.

The Falconettes wore blue and silver costumes designed by the club's president, Helen Larrabee. The group had uniforms of pleated skirt with princess style waist, a standup collar with a silver inset V. The outfits were blue and silver, with an additional blue and white cape for wear off the field.

Women students who desire to learn flag-twirling techniques should sign up for HPER 51, which meets on Monday and Wednesday from 1 to 2 p.m. next semester. Credit for physical education will be given.

CERRITOS STUDENTS PLAN FOR HOLIDAY RECESS

Friday will be the last day of school for Cerritos College's student body until January 5. The annual Christmas holiday vacation, however, will be a time of preparedness for both students and faculty members. At the end of the recess, both will come back for the final few weeks of the Fall semester and the final examinations that climax each term.

The last class session of the first semester will be given on January 23; examinations will be held from January 26 through 30. The Spring semester begins on Monday, February 2.

ASB OFFICE CHANGES

Sherie Van Tassel has resigned her position as Student Body Secretary in order to get married. Nancy Gallagher was appointed to fill the vacancy.

Farrie Lou Pirtle has been selected as Sophomore Class Historian.

FINAL SCORES SHOW THAT GRIDDEES SET FAST PACE FOR OTHER JR. COLLEGE TEAMS

Against a selected group of the nation's highest ranking junior colleges, Cerritos' football team showed the highest average total of points for each game. The Falcons, who finished with eight wins in nine games, also ranked in the top group in defense.

Cerritos scored 417 points in nine games for a 46.3 average. The nation's highest scoring junior college football team was New Mexico Military, a team that tallied 454 points in 10 games for a 45.4 average, short of the Falcon mark. Santa Monica, the Western representative to the Junior Rose Bowl game this coming Saturday, averaged 39.9 points per game, but gave up an average of 14.1 per contest. Santa Monica's opponent, Northeastern Oklahoma, averaged 30.3 points each time out, opposed to 7.0.

Following are the rankings as they appear on the basis of average points scored each game:

Team	Points	Ave.
Cerritos	417	46.3
New Mexico Military	454	45.4
Boise, Idaho	410	41.0
Santa Monica	359	39.9
Bakersfield	339	33.9
Hartnell	286	31.8
Northeastern Oklahoma	273	30.3
Riverside	300	30.0

Defensively, the following rankings show each team on the basis of how many points were given up each game:

Team	Points	Ave.
Hartnell	38	4.2
Bakersfield	54	5.4
Boise, Idaho	66	6.6
Northeastern Oklahoma	63	7.0
Cerritos	67	7.4
Riverside	75	7.5
Santa Monica	127	14.1

FALCON FORENSIC CLUB WILL BROADCAST

Cerritos' Forensic Club will make like radio broadcasters for the rest of the school year. The club, an organization made up of speech majors, plans to broadcast campus news twice a week at the temporary Artesia High quarters. The group will use the school's public address system for the broadcasts.

In addition to informing the Falcon student body of planned activities and the latest word, the 'casters will also get practical experience to aid them in their classroom work.

CAGERS SET FOR SECOND TOURNAMENT; FALCONS AT SAN BERNARDINO IN OPENER

Cerritos College's Falcons, one of the nation's newest collegiate basketball teams, enters the nation's oldest junior college tournament at Chaffey, December 17-20.

Coach John Caine's cagey quintet rudely upset Chaffey 81-68 at the Norwalk High gym Saturday night, and although Chaffey will be the Falcon's host next week, Panther coach Barney Newlee let it be known that he and his boys plan to make it unpleasant for the Falcons. However, in order for the rematch Cerritos and Chaffey will have to duplicate efforts in their first round draws.

Cerritos draws San Bernardino in the first round. Chaffey draws Harbor. If both Cerritos and Chaffey win, they'll meet in the second round of the championship ladder Thursday. Losers of these two games meet in the consolation round.

Other participating schools include Harbor, San Bernardino, Mt. San Antonio, San Diego, Fullerton, Santa Monica, Santa Ana, Pierce, Riverside, East Los Angeles, Citrus, Southern Utah, Orange Coast, and Glendale.

Cerritos meets San Berdoo at 12:50 p.m. Wednesday.

Behind the sharp outside shooting of guard Tony Rosales and the stalwart defensive play of Bob Stoker, Cerritos ran up its second consecutive win in their 81-68 conquest of Chaffey in the Falcons opening home debut.

Rosales led the scoring in both of the Falcon wins with 18 points against Chaffey and 15 points against Oceanside in that 95-65 romp. But it was sophomore Stoker who came off the bench Saturday night to put a halt to the high scoring antics of Chaffey's dead eye guard Ray Wakeman. Wakeman led the Chaffey scoring with 13 points, most of them before detective Stoker applied the handcuffs.

"I'm real pleased with our offensive work, 95 points one night and 81 the following game, but we need to do some work defensively," summed up Caine.

CONNORS HEADS WORLD CLOTHING DRIVE

Cerritos College's student body is cooperating with the annual World Clothing Week, a charity program that provides for the needy throughout the world.

Falcon student leader Mike Connors is requesting that students deposit clothing that is no longer needed in containers on the campus.
