

# ASB Assembly Honors Top Falcons

Cerritos' Annual Awards Assembly was held yesterday in the student center. A large audience of students, parents, and friends were present as awards were given for service and scholarship.

Given as the top awards for service are the Man and Woman of the Year plaques.

Chosen as Freshman of the Year was John Noland. The Sophomore distinction went to ASB President John Groeling.

Woman of the Year awards went to freshman and newly-elected president, Patti Roberts, and Sophomore, Carole Thompson.

Special guest at the assembly was Dr. Jack Mears, new president of Cerritos College.

**Departmental Award Winners**  
Winners of this year's de-

partmental awards, based on grades are, Virginia Willey, English; Tom Carey, Speech; Sara Middleton, Journalism; Linda Willison, Foreign Languages; Russ Brown, Engineering; Brian Myers, Life Science; James Whelan, Mathematics; and Del Devy, Physics.

Other winners include Richard Lorenzen, Drama; Nelda Hildebrandt, Cosmetology; Nwana Babers, Dental Assistance; Mary Jo Gutman, Vocational Nursing; Mike Cahoon, Music; Frank Naumann, Police Science; and John Groman, Metallurgy.

Ron Tiessier, Earth Science; Carol Gifford, Accounting; Doris Pipes, Sociology; Lynn Joyner, History; and Betty Hastings, Business, are also departmental award winners.

Service certificates, based on service to the school were awarded to the largest number of the award winners. Certificates for drill team went to Bonnie Bromberg, Anna Marie Canas, Pat Coelho, Charlene Carter, Marcia DePue, Sandra Dodge, Jonie Golob and Margaret Handwerk. Sue Hammer, Anita Jiminez, Karen Mallet, Lou Ann McCoid, Helen Munro, Carolyn Rosenbloom, Patti Roberts, Laura Sanchez, Bobbie Thompson, Leah Walker, Jackie Weber, and Jackie Widener also received certificates for participation in drill team.

#### 'Marks' Staffers Honored

Certificates for service on the "Talon Marks," Cerritos' newspaper, went to Gloria Day, Jerry Weidenborner, and Bill Hampton.

Six members of the Cerritos

band received certificates for service to the school. Included were Larry Stark, Dennis Dietz, Louis Fry, Jerry McGee, Danny Johnnie, and Russ Vitale.

Muffi Bula, Dwayne Sheldon, Pat Fisk, Sherri Goodwin, and Sandy Munson received certificates for participation in dance productions. Others in the dance field were Aaron Andreason, Susan Plantt, Terry Cogburn, Barbara Komisar, Ron Miller, Lenka Spaseff, Linda West, and Virginia Wier.

Other service awards were presented to Sandy Kokel and Carol McKee, homecoming; Yvette Curry and George Klemek, Freda and Freddie Falcon; Irene Robards, Christmas decorations; Carol Ryan, AWS fashion show; and Wendy MacLaren and Bob Clemons, business projects.

Marjorie Clark was awarded a certificate for college civic events, and Leon Dodge received an award for sophomore class activities.

#### Council Given Certificates

Recipients of service certificates for work as school officers included Ken Baird, Carol Johnson, Mike Johnson, Carol Thompson, Barry Thormahlen, Carolyn Totta, Oscar Para, and Patti Roberts. Also receiving officers certificates were Tom Carey, Miriam Gresko, Sara Middleton, Gary Canning, Elsa Longress, Kirk Dolan, Sandy Benton, Bill Axline, John Groeling, Tony Boden, and Jim Shadford.

#### Golden Falcons Named

Thirteen students were awarded Golden Falcon Awards  
(Continued on Page 4)

## 500 Attend 'Tikis' Luau

Lush tropical plants, splendid waterfalls, and quiet pools set the scene for the ASB-ICC sponsored luau at the Tikis last Saturday. Approximately 500 Cerritos students and guests dined and danced the evening away under the watchful eye of an erupting volcano.

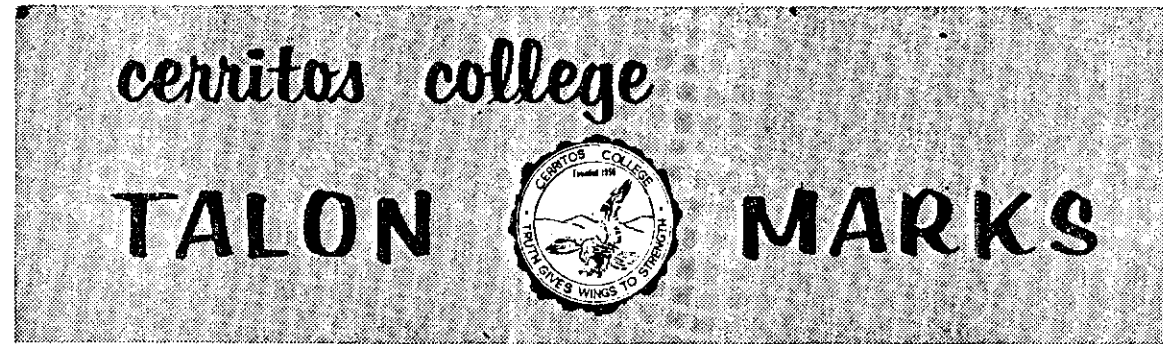

Highlights of the evening included an array of island foods featuring roast pig, spiced apples, barbecued spareribs and other tasty dishes. An island show featuring hula dancers, sword and fire dancers and special hula lessons added to the enjoyment of the luau.

In a special ceremony, ASB president-elect Patti Roberts presented retiring president Dr. Ralph Burnight with a Ralph Gari album and a gift certificate for \$75 from Wallach's Music City.

## Choir Cancels 'West Side Story'

The Cerritos choral presentation of music from "West Side Story" has been cancelled, according to choir director John Feeney.

The program, originally planned as part of Fine Arts Festival week, was postponed because the choir was unable to have the program prepared in time for the Festival.

### CERRITOS PRESIDENT

## Mears on Campus; Makes '62-63 Plans

Arriving on campus this week that Dr. Mears will be able to attend the faculty's spring dinner-dance Saturday evening. A reception to honor the new president has also been suggested.

President of Arkansas A&M College since 1960, Dr. Mears must return to College Heights by June 4 to assist at the naming of his successor at the Arkansas school. He will take up residence in California shortly and participate in the annual meeting of the Board of Trustees here July 2. He is not yet sure whether he can participate in commencement exercises here June 15.

Faculty club president Carl Johnson expressed the hope

for a five-day visit was Dr. Jack W. Mears, new president and superintendent of Cerritos College. Dr. Mears succeeds Dr. Ralph F. Burnight, who retires July 1.

During his stay here, Dr. Mears will meet with college officials to lay plans for the 1962-63 college year. He will discuss the proposed two and a half million dollar budget with business manager Henry Korsmeier, and examine curriculum plans with director Robert C. Rockwell.

## Brown Gets Lucky Lot

Bobby Brown is the new Associated Student Body vice president. Brown drew the lucky lot in a ceremony held on the Student Center stage last Tuesday.

Brown and Andy Feringa had tied for the second time in a run-off election, and ASB council members interviewed both candidates to decide how to break the deadlock. The candidates said they preferred the drawing of lots to another run-off election.

Clive Grafton, ASB council adviser, said he felt the decision to draw lots was "the best one possible."

The new student council was installed yesterday at the ASB Awards Assembly in the Student Center.

## Cerritos Offers Modern Dance Program Tonight

"A Modern Dance Studio Evening," Cerritos' first modern dance show, will be presented tonight at 8:30 p.m. in the Cerritos gym.

Directed by Edith Pine, the two-part show is being produced by the beginning modern dance and dance production classes here at Cerritos.

Demonstrations of modern dance techniques will be part one of the show, featuring dance as exercise and movement exploration. Methods of training the body for dance, and the use of movement as a medium of expression will be included in the demonstration.

"Mirror of Our Times" will be the title of the second part of the show. Included in this half of the program will be some interpretations of "Our American Heritage," reflections of our times, and projections into the future of our world.

Tickets for the program are available in the P.E. office and at the door for 75 cents for the public and 25 cents for ASB card holders.

## Cosmetology Instructor Wins Education Award

Mrs. Florence Tilson, chairman of the Cerritos cosmetology department, was recently voted "Industrial Educator of the Year" by the Los Angeles Coun-

FLORENCE TILSON

ty Industrial Education Association.

The award is presented annually to a teacher chosen from a junior high school, a senior high school, and a junior college.

#### Cited For Ability

The award cites Mrs. Tilson

for the "ability to maintain the highest standards in community relations, create student interest, stimulate dynamic education, and contribute to professional growth in the total program of education."

It is signed by Ernest G. Kramer, Chief of the Bureau of Industrial Education; Marshall Damon, President of the Los Angeles Industrial Education Association; and C. C. Trillingham, County Superintendent of Schools.

#### Organized In 1959

Mrs. Tilson organized the Cerritos cosmetology program in 1959. She has been in the beauty business for 20 years, owned her own salon for 17 years, and has been teaching for 8 years. She has been an active member of the IEA for 9 years, and served for some time as chairman of the membership committee.

Mrs. Tilson says the award came as a complete surprise, but that she was very gratified and happy to receive it. It was presented at an IEA dinner held at the Commerce City Auditorium.

"A MODERN DANCE STUDIO EVENING" will be presented again this evening by the Cerritos Modern Dance Group. The show is directed by Edith Pine, and features a "Mirror of Our Times" as a second half feature of the program.

## EDITORIAL

# The People's Choice?

Nick DiMeo, ASB president-elect, has resigned.

The incoming president tendered his resignation to the student council last week. Council went into session and quickly appointed Patti Roberts to the post.

Miss Roberts and DiMeo were the final contenders in the election for the top post. DiMeo won by 16 votes.

The ASB constitution states that if there is a vacancy in an ASB post the remaining members of the council are to either appoint a successor or hold a general election.

The new ASB president was, therefore, not the majority choice of the associated students.

She was the choice of the student council.

We are not suggesting that the council cannot make an intelligent decision.

We are not suggesting that Miss Roberts is not capable of assuming the duties and responsibilities of the presidency.

We are suggesting that the final decision should have been made by the student body.

Many will argue that council is the "voice" of the student body. If council is the voice of the student body, shouldn't it let that voice be heard? As it stands, the decision and the appointment were made before the ASB had a chance to speak out.

To the council's argument that Miss Roberts was the runner-up, and therefore the logical choice, we ask: what happens to DiMeo's votes? If another election had been held, would Miss Roberts have been the choice . . . or would the election results have been different?

No one can say for sure. But judging from campus reaction to the recent elections, we believe that steps should be taken to prevent the student council from making the decisions which should be made by the Associated Students.

TALON MARKS STAFF

## EDITORIAL . . .

## Council Act Termed 'Unconstitutional'

In the last issue of "Talon Marks" it was reported that "Dean of Women Amy Dozier says that while the resignation of DiMeo was accepted with regret, she believes the student council showed good thinking in the solution to the problem, and that they followed the provisions of the constitution."

In an effort to discover if the students agreed with this statement, this reporter contacted a number of the students during this past week. Of those contacted more than 250 were willing to sign a petition challenging the action of the student council.

A number of these students brought to my attention the fact that the action of the old ASB council in filling the vacancy in the new ASB council may be unconstitutional.

The section of the constitution cited by the old council as the basis of their action is article III section VIII clause A. This clause provides that "In case of the resignation of an ASB officer . . ." that the "vacancy shall be filled . . ." by actions of "the remaining members of the student council . . ."

The words "remaining members" would seem to indicate that the vacancies on a council should be filled by action of the remaining members of the council affected by the vacancy. This clause does not appear to empower the old council to appoint members of the new council.

A group of students plans to question the constitutionality of any person holding office unless he was either elected by a popular vote, or appointed by the council on which he is to serve. Because of this constitutional question, these students plan to attend the first meeting of the new council to request a ruling on this interpretation of the constitution.

## RUSTLINGS

## 'Talon Marks' Like 'Confidential'?

Editor:

My reaction to Warren Fogard's column of May 17, 1962 on the "real story behind the postponement of West Side Story," was to make sure I was reading "Talon Marks" instead of "Confidential." Apparently Mr. Fogard had nothing better to write about so he decided to beat someone over the head with his column, namely Jim Stinson and the ill fated "West Side".

In a possible attempt to report the facts Mr. Fogard was carried away with "writing fever" and truth was forsaken for sensationalism. The sad part is that people actually do believe what they read in the newspapers. Most of us figured West Side would be tough going, but it could have been done. There was hardly dissension of such magnitude as Mr. Fogard purports.

Jim Stinson is a qualified director, but his mistake was in overestimating the enthusiasm of the Cerritos student. Mature dedication to task seems to be lacking to these campus citizens. Some did work hard on the show and were sincerely disappointed, but a show needs incentive. Undoubtedly Mr. Fogard heard some bellyache as to the "tyranny" of Mr. Stinson.

Just what is a director's task in stag-

ing a production? In almost any community or little theater endeavor the director must coordinate stage crews, lighting, sound, a rehearsal schedule, then worry about attendance. To direct performers into proper action and interpretation he must maintain strict discipline, prod, cajole, plead and at the same time keep his wits. Blood pressures are bound to go up a few points; a show is yet to be built on "diplomacy."

Mr. Stinson, earlier in the semester, tried to initiate another musical show to include the departments of music and dance. Through this joint effort a Cerritos first could have been realized. But, let us leave all the "firsts" to the athletic department. After all, isn't it presumptuous to think that anything could be of even equal importance to athletics?

But alas, that proposed show was sabotaged. I daresay, selfishness was one motive. Others might be relegated to conservatism in the administration or in other words "playing it safe." It seems that the responsibility of initiating or supporting anything progressive and the fear or rejection is for some people, just not "playing it safe."

R. H. Hagman

## Tau Phi Head 'Corrects' Letter

Editor:

As president of the Tau Phi Art Society I feel I must answer the unsigned letter criticizing our art exhibit. Those of us (and there were many) who were involved in setting up the exhibit realize the hard work and preparation necessary to present a good exhibit. Our foremost aim was to give our students the opportunity to show their best work. Of course, not all work was accepted, as our instructors rightly feel that only the best work of the different areas of art should be shown.

Accordingly, many paintings not up to our high standards were rejected. It is possible to understand a student being disappointed at having a painting rejected, but ordinarily this would act as an incentive to do better the next time and "make the show," instead of acting like a spoiled child who cannot have its way. I refer, of course, to the completely false statements irresponsibly made in the letter. If the author felt these accusations were true, why was there no signature? How could false accusations be printed without checking for the truth?

I would like the truth printed concerning some of the statements made.

1. Students were encouraged to enter as many paintings as they wanted to, but they were also told that only the best work would be accepted.

2. Only one person had four paintings entered. The others had three or (as in most cases), less. No one had ten paintings accepted.

3. There was space to hang all the

## Student Tabs 'Wall' Review Misleading

To the Editor:

After reading Warren Fogard's comments concerning "The Chinese Wall" in the May 9 issue of "Talon Marks," I couldn't resist seeing the play.

I find that I agree with Mr. Fogard on one point: he called himself a superficial observer. He can say that again!

Was Francis X. Bushman perhaps Mr. Fogard's idol? Did he have a teenage crush on Greta Garbo? (the main thing that appeals to him about Adrienne Hansen is her (alleged) Swedish origin.)

I am not old enough to remember Bushman or Garbo prior to TV, but judging from old silent I've seen, acting techniques must have changed in the last decades.

"I found "The Chinese Wall" brilliant and thought-provoking, the leading roles convincingly done; even minor characters gave memorable performances.

If Mr. Fogard is as sterile physically as he is mentally and aesthetically, he would have been a natural for the part of a eunuch in "The Chinese Wall." The Contemporary said that eunuchs were in short supply, remember?

Dramatic critics must be in short supply also, judging from Mr. Fogard's disjointed literary effort.

To the Mongolian dogs with Mr. Fogard.

Darling! I didn't realize how much it bothered you!

Fogard

## Public Instruction Candidates Meet To State Cases

Eight of the nine candidates running for State Superintendent of Public Instruction met to state their case in the Student Center Friday evening, May 25. Max Rafferty was the one candidate not present.

The candidates were allowed 10 minutes each for their presentation, and another five minutes to answer questions from the floor. Ralph Richardson and Wallace M. Hall were the first two speakers, and they left immediately after their speeches were concluded.

Principals Association Sponsor

Charles M. Berlese, Willard M. Brown, Everett T. Calvert, Cecil D. Hardesty, C. O'Donnell Lee, and Laurence N. Wolfe stayed to make their speeches and answer questions.

The meeting was sponsored by the Norwalk-La Mirada Principals' Association. The program chairman was Guy Richards, and the moderator was Jim Perkins of La Habra.

The general tone of all the speeches was evasive on specific stands, and dedicated to the usual broad generalities, although at least two of the candidates allowed themselves to be pinned down by questions from the floor.

Palmer Active in Questioning

John Palmer, Cerritos political science instructor, was active in the questioning during the early portion of the program. Palmer's most outstanding success was in eliciting from Dr. Wallace Hall the statement that he thought the Francis amendment was unnecessary.

Another positive answer was obtained from Dr. Hardesty by a questioner. Dr. Hardesty had stated that he was in favor of teaching about Communism in the schools, and the questioner wanted to know if he favored a course for the instructors in how the subject was to be taught, or if he would be willing to allow them to teach it in their own way. The answer was that he favored a course in how it should be taught.

In general, each of the candidates seemed to be in favor of the California public school system, but thought matters could be vastly improved if he was elected to the superintendent's post.

# Stuber, Kelso, Mason Relay Team Races to Third Place Slot at State

by DAVE KELLOGG

Cerritos' track team jumped from sixth place to third place in the California State JC Track and Field Finals last week at Modesto.

The reason for the juggling of the places was a reinstatement of the Falcon's mile relay team to third place after it was disqualified because of a baton pass.

It was ruled later that the passer had been fouled and therefore gave Cerritos 30 13/14 points instead of its original 24 13/14 points.

## Falcons Behind LBCC

This put the Falcons 1/14 of a point behind second place Long Beach City. Mt. San Antonio College won the JC title with 35 1/2 points. Strong performances by Joe Faust, Ray Van Asten, and their mile relay team gave the Mounties the State championship.

Pasadena placed fifth with 30 points and its sprinter Dave Morris set a national junior college record in the 220 yard sprint with a 20.3 time. The old record was 20.4 by Overton Williams of Oakland last year.

## Kelso Sets Mark

Pat Kelso turned in his best performance at Modesto by placing second in the shot put. His distance was 56-1 which broke the meet record and is a new school record. Bill Pace of Long Beach was first with a 56-3 3/4 heave.

The old record was held by Smith of Long Beach. His mark was 54-10 1/2.

Cerritos' high jump specialist, Paul Stuber, finished second behind Faust of Mt. SAC with a 6-8 1/2 jump. Faust did 6-9 1/4 for a new meet record, old mark was 6-7 3/4 by Costa of San Francisco, 1958.

Andy Curtis tied for fifth in the high jump with a height of 6-2 1/2. Curtis at the

Southern Cal track meet did 6-4.

## Johnson Ties For Second

Mike Johnson tied for second in the pole vault, soaring 14-1 1/2. Johnson had three close misses at 14-7. Hedman of Sacramento placed first with a new meet record of 14-6 1/2. He broke McMillan's record of 14-6 set last year. McMillan was from Cerritos.

Gary Ordway placed a disappointing fifth in the discus with a 145-11 toss, far below his best. Darnes of San Francisco won the event with a record breaking toss of 169-3. The old record was 167-2 1/4 by Anderson of Phoenix, 1961.

Jim Mason ran his best mile in 4:14.1 to place fifth at Modesto. Thornton of El Camino, the national record holder of the mile, was first in a 4:10.1.

Kerry Wright placed sixth in the 440 in 48.4. Wright also ran anchor in the mile relay team and gave his best performance.

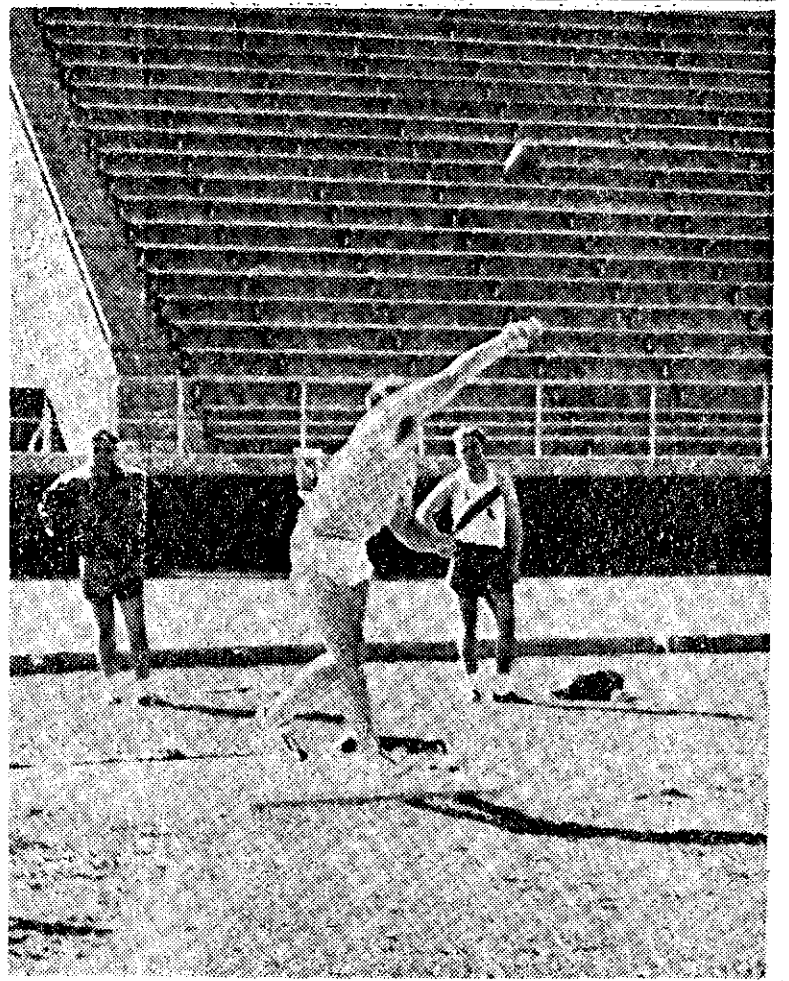

## Relay Places Third

The cinderella mile relay team of John Groeling, Don Box, Ted Wray, and Wright, finished third. The team was leading the field going into the third lap, but Box fell, causing Wray, the third leg man, to relinquish the first place spot and start last.

Wray and Wright made up the deficit and came in third.

## Cerritos Ratings at Modesto

Jim Mason - Mile run ..4:14.1 Fifth Place  
Kerry Wright - 440 .....48.4 Sixth Place  
Gary Ordway - Discus ..145-11 Fifth Place  
Paul Stuber - High Jump 6-8 1/2 Second Place  
Andy Curtis - High Jump 6-2 1/2 Tie for 5th  
Mike Johnson - Pole Vault 14-1 1/2 Tie for 2nd  
Pat Kelso - Shot Put ..56-1 Second Place  
Mile Relay - Groeling, Box, Wray, and Wright ..... Third Place

PAT KELSO CANNONS the 16 pound shot put well over 50 feet in the Southern Cal meet held at Cerritos. Kelso placed third at the Southern Cal meet with a toss of 54-10. He then went to Modesto for the State JC track finals and placed second with his best effort of the year, a 56-1 toss and a new school record.

## Preparations Underway For 1962 Football Season

Preparations for the 1962 football season are now in progress as lists of returnees and high school prospects are piling up on Coach Don Hall's desk.

Hall looks forward to another good season as the list of returning men from last year's squad numbers 22. With this number of returnees Cerritos first string should comprise of all sophomores and therefore fewer mistakes will be made, according to Hall.

The returning men are ends—Lynn Blouch, Ed Mendez, and Lou Vellone; tackles—Sheldon Moomaw, Fred Morasky, and Don Moye; guards—Alan Asam, Curtis Ferguson, and Jack Milks. There are no returning centers.

The backfield men are quarterbacks—Rick Alvarado, Mike Jimenez, Rick Lussier, and Wayne Reed, Marshal Adair, attending Cerritos this semester will vie for the quarterback slot too.

Halfbacks are Joe Bedillo, Vernon Brock, Art Delvaux,

Ron Hales, Bill Perry and Mike Stroud; fullbacks—Joe Ducote, Roger Hall, and Allen Spoolstra.

Hales and Delvaux made all-conference first team last year and Moomaw won honorable mention. Delvaux went on to grab All-American JC honors as a defensive standout.

Hall mentioned that incoming freshmen from the following high schools may attend Cerritos and be eligible for the 1962 season.

In-district schools are Artesia, Bellflower, Excelsior, La Mirada, Mayfair, and Norwalk. Out of district schools are Anaheim, Bell Gardens, California, Downey, Earl Warren, El Rancho, Montebello Pioneer, Santa Fe, St. Paul, Sierra, Western, and Whittier.

Cerritos starts out its 1962 season against Phoenix. The Bears will be a practice game as the Falcons switched over to the Metropolitan Conference.

Last year Cerritos took an easy victory over Phoenix 26-0. The Falcons' second game is against a new foe Hancock College from Santa Maria.

## Buy-Back Facts Given Students

June 12, 13 and 14 are important dates for students who want to sell their used text books, according to information released by the student bookstore.

On those dates a representative from a national "Buy Back"

concern will be at the student store during business hours, both day and evening. Students who wish to dispose of their current textbooks will be allowed 50 per cent of the original value of the text.

## Gurule Honored

Gene Gurule, Cerritos College cross country and track star, was honored as "Athlete of the Year" at the ASB Awards Assembly yesterday.

Gurule set a school record in the mile this year and came close to the two mile record. Gurule did not qualify for the State track meet because of a leg injury.

The "little machine" was "Most Inspirational Player" last year.

## ★ Awards

(Cont'd. from page 1)

for gaining 25 or more service points during the year. Included were Bob Clemons, Tom Carey, Chuck Booth, Carolyn Tottz, Kirk Dolan, Barry Thormahlen, and John Noland. Others were Rosalind Bass, Sandy Benton, Miriam Gresko, Carol Ryan, Carol Thompson, Jim Shadford, and Nick DiMeo.

Departmental service awards, based on activity bringing service to the student body went to Richard Lorenzen, Drama; and Sara Middleton, Journalism. Also receiving departmental service awards were Kathy Grubb, Sandy Wade, Michele Wallace, and Rena Rocksien for WAA. The music department awarded special department awards to Jim Stinson, outstanding man; Betty Watt, outstanding woman; and Effie Otis, do gooder.

## Grafton Hopes For Active AMS

Clive Grafton, Associated Men Students' adviser, says that he hopes to see a more active AMS next year.

According to Grafton, the AMS has been relatively inactive, as opposed to similar organizations on other college campuses, for several reasons. One of these is that Cerritos has organizations working in areas that the AMS of another college might ordinarily work on. Such is the case with intramural activities.

Grafton says that the key for furthering the activities of Cerritos' AMS is not yet known, but is hoped to be discovered before next term.

## Bookstore Clerks Solve Mystery

Gladys Balzer and Wilma Mauhman, clerks in The Associated Student Body bookstore, were confused. A number of students were requesting a book about "Assays."

They had no book with that title in stock.

The requests, and the confusion, continued for a week.

The mystery was finally solved by a student who pointed to a copy of a publication distributed by the bookstore, "Paperback Review."

"It says right here", insisted the student, "buy a copy at your nearest bookstore of Denise Lev- erton's "Assays."

Mrs. Balzer and Mrs. Mauhman examined the booklist. They started to laugh. There was a misprint; it should have read "Essays."

## Bock Resurrects Summer Stock

Frank (Bring 'em Back to Life) Bock is planning to resurrect a number of one-act plays in the Transistor Theater this summer. He has not yet decided precisely which plays will be accorded the treatment, but he says they will be among the most deserving.

Bock will be in charge of the theater crafts and theater workshop classes for the summer session. He plans to present about six one-acters, giving his students the maximum in variety of experience.

Although he has not decided which plays will be granted resurrection—in fact, may present some not even officially dead—he says it will be an interesting session. He urges all theatrical minded necromancers to report for duty.

He declared the program will be the nearest thing to summer stock that a college drama department can produce.

## ★ FINAL EXAMINATION SCHEDULE ★

### (Spring Semester, 1961-1962)

Final examinations for all DAY CLASSES including laboratories (8 a.m. to 5 p.m.) will be held according to this schedule.

Examinations, except for physical education activity classes (see supplementary room schedule for physical education activity sections), will be held in the rooms used for the regular class meetings.

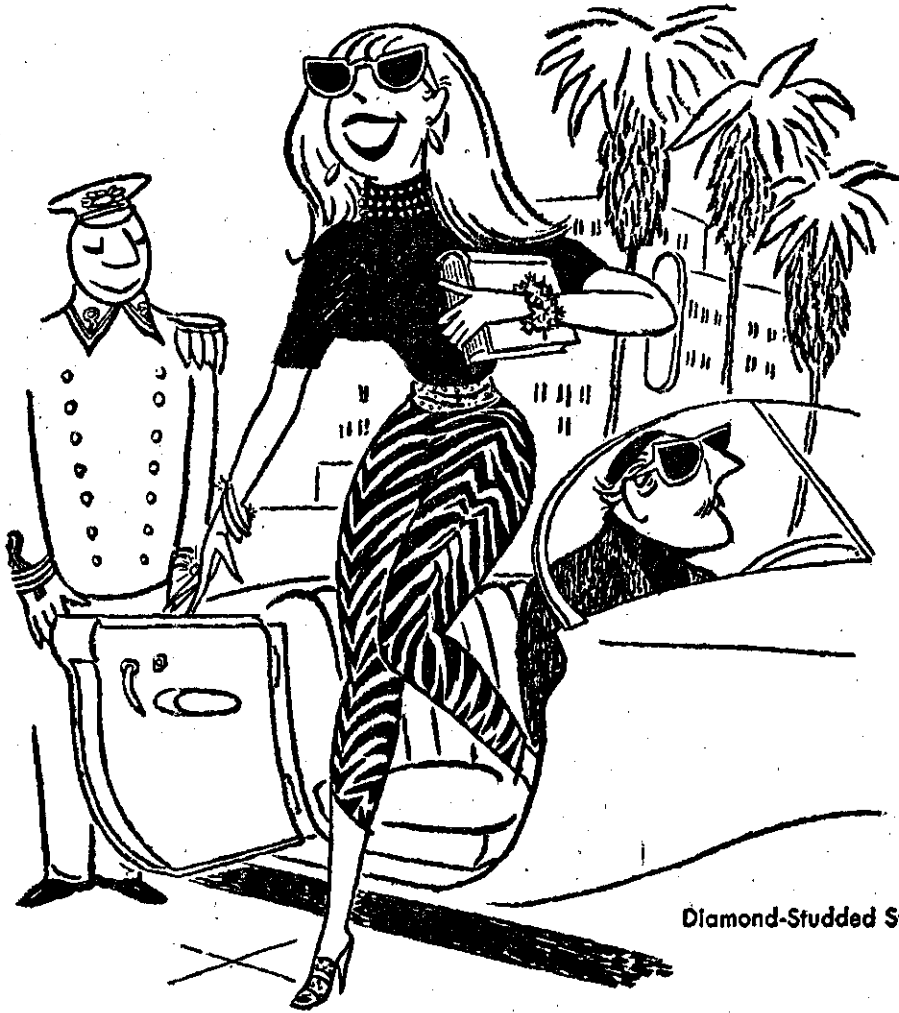

Classes which regularly meet for a double period one day and a single period another day—e.g., 8-10 Tues. & 9 Thurs.—will take the final examination scheduled for that hour on which the class meets both days—for above example, 9 Tues.-Thurs.

**EXTENDED DAY CLASSES** (6 p.m. or after) will meet as regularly scheduled through June 14, except that the last class meeting will be a two-hour session for final examinations.

# Girl Watcher's Guide

Presented by Pall Mall Famous Cigarettes

Diamond-Studded Starlet

## LESSON 8- Becoming a specialist

Experienced girl watchers, for whom routine watching has lost some of its excitement, often become specialists. (This is definitely not recommended for beginners. However, it may be practiced as a change-of-pace by more advanced students.) They may spend an entire field trip concentrating on one part of a girl. This tends to step up

activity, since it does not require that the whole girl be beautiful. For example, if you decide to specialize in knees, you watch only beautiful knees. (The doorman above appears to be an ankle specialist.) Whatever your watching specialty, make sure your smoking specialty is Pall Mall's natural mildness—it's so good to your taste.

**WHY BE AN AMATEUR?**  
**JOIN THE AMERICAN SOCIETY OF GIRL WATCHERS NOW!**

**FREE MEMBERSHIP CARD.** Visit the editorial office of this publication for a free membership card in the world's only society devoted to discreet, but relentless, girl watching. Constitution of the society on reverse side of card.

**Pall Mall's**  
**natural mildness**  
**is so good**  
**to your taste!**

So smooth, so satisfying,  
so downright smokeable!
