Conservative - Liberal Clash in 'Great Debate'

By Harry Polgar

With a 20 minute speech that contained everything from a little boy with the yaws to a liberal's definition of a "reactionary." Dr. Urban Whitaker opened a "Great Debate" before more than 400 persons in the Student Center Tuesday

On the conservative side was Fulton Lewis, who spent his alloted 20 minutes explaining the conservative stand on foreign aid and government control of individual rights.

Following the main speeches, there were two seven minute rebuttals in which among other things, Dr. Whitaker talked about the condition of the U.S. highways and Lewis explained the result of Neville Chamberlain's compromise and how it started the second world war.

Explain Conservatism Explaining his conservative stand, Lewis said that a conservative knows certain basic truths and the first of these is that, "No government can give you anything that it has not previously taken away from

Whitaker rebutted the statement by saying, "I'd like to see a do-it-yourself highway sys-

Student Opinion

James T. Smith, president of the California Collegiate Democrats, said of the debate, "I think that Dr. Whitaker did not clearly present the liberal philosophy. However, Lewis debated with glittering generalities and vague cliches." When questioned about the

debate, a spokesman for the Young Republicans said, "I think the debate proved to be most successful. The conservative cause was presented quite well, while the liberal stumbled. from yaws to not being able to define 'forced integration'." Dean of Men Clive Grafton, moderator for the debate, said that the debate was "very good"

of many programs that this college should have regarding many international problems. It was certainly a fine beginning."

Board Muses On Expansion

In a brief Tuesday meeting board members discussed the proposed land acquisition and Downey Trustee Areas.

Trustee Al Sommer, reported to the board that he has contacted the owners of the 38.4 acres in Dairy Valley and they expressed no opposition when told of the college's need to acquire the land.

A public hearing on a zone variance has been set for Thursday in Dairy Valley.

Another matter considered was the Downey Trustee Areas. Deliberations centered around a notice received from the Los Angeles County Committee on School District Organization which called for a public hearing in the near future on the proposed board increase from five members to seven and establishment of trustee areas.

The trustees previously indicated that Downey's proposal for two districts within their trustee area was not in the best interest of the people.

At Tuesday's meeting, Arthur Kulzer said that the Cerritos board recommended to have the requests put on the committee agenda with the understanding that the trustees could then voice their own opin-

"If the County Committee goes along with the proposed two Downey districts, then there should be a re-study of the other areas where more than one trustee is involved." Kulzer added. This would pertain to the Artesia - Bloomfield - Carmenita district and the Norwalk-La Mirada area.

El Camino poloists fell 8-7 in the finals to make the Falcons Southern California Invitational champs. Today, however, the stakes are higher as Cerritos meets El Camino again in a Metro Conference game.

"Winning the invitational was a showing of what each team has got, but winning the league give the team a chance to go to the So, Cal, finals and possibly a crack at the State Championship in No-

El Camino this year has come on strong. When the Warriors met Fullerton in the semifinals of the tourney, the Falcons expected to play Fullerton, but El Camino beat the Hornets by several goals to go into the finals against the Falcons.

Cerritos met El Camino in the finals and won but only by a last second goal by Jeff Rossi to win 8-7.

SCOGGINS, MAURIELLO TO TAILBACK

Cates Shakes Up

Coach Smokey Cates apparently a little less than satisfied ble-happy offensive squad by with his squad's performance moving Craig Scoggins from his against Valley last weekend, is making three major changes in his starting line-up for tomorrow evening's encounter with the El Camino Warriors at Cerritos Stadium. Valley Upsets **Rated Falcons** For 7-6 Win

In what will prove to be a deciding factor in determining the Metropolitan Conference football crown, Coach Smokey Cates' gridsters dropped a national rating and an undefeated season in a 7-6, loss to upset minded Valley last Saturday night at Monarch Stadium.

Before some 2,000 fans, Cates' footballers finally met up with a team that had just a little more offense than they did. Five fumbles, four coming in the second half accounted for the sputtering offense that could gain only 259 yards total offense.

At the end of the first quarter the Falcons started their only scoring drive which consumed 93 yards in 9 plays. Slowed up at the Falcon 46 yard line with a 3rd and 6 situation, quarterback Gary Davis rolled out and flipped to Mike Voigt for 50 yards moving the ball to the Monarch 6, where at 10:31 left in the second quarter Gehe Kurai punched it over from the 2. Dennis Born missed what proved to be the all important

Valley, meanwhile was unable to get moving, but with :55 seconds left in the third quarter, diminutive Dudley Shusterick threw a 33 yard pass to wingback Terrel Ray taking the ball to the Cerritos 40. Then a 15 yard penalty against the Falcons moved it to the 25. But Ken Poelstra came to the rescue with an interception in the end zone two plays later to end the threat.

Cerritos failed to move the ball and Valley took over on their 31 and marched 59 yards in six plays. Shusterick was again on the mark hitting Jim Stewart twice on the drive for 33 and 22 yards, the final play for the td. Then at 7:37 Geoff Duncan converted to give Valley a 7-6, lead.

The Falcons got the ball twice after the Monarchs td, but with :30 seconds left and a 4th and 4 situation Craig Scoggins failed by one yard to make a crucial first down thus giving the ball and the victory to Valley.

Davis Moves Up Also second string quarterback Gary Davis has been moved up to guide the "white" offense on the strength of his 9 for 11 evening against the Monarchs. Mike Voigt, "red" wingback, has also been moved to the "white" squad to take Scoggins' old spot.

The Warriors, ranked nationally at the No. 5 spot, bring a string of three straight victories over Compton (170), Pierce (33-6) and Santa Monica (28-21)

Grids Earn **Bench Honors**

For the second week in a row, center linebacker Jim Ferguson was chosen as 'Lineman of the Week" by the Cerritos Bench Club Tuesday night. The 225 lb. All-American leads Falcon tacklers" with 22 unassisted efforts, including 9 against Valley last week.

"Back of the Week" honors vent to Sophomore Crais Scoggins, who was the Falcon offense at Valley. The 160 lb. wingback carried the ball 9 times for 66 yards and latched on to 4 passes for another 34 yards.

Owning two straight victories over the Falcons in the "milk can" series, El Camino is heavily favored to make it number

Against the Santa Monica Corsairs in the Metro opener, Coach Ken Swearingen unveiled two new offensive threats in subquarterback Bob Johnson and

starting halfback Phil Pomeroy. Johnson scored on a 78-yard roll out run and also lofted an 18 yard td pass to tackle Larry Petrill. The big (6' 190 lb.) sophomore completed 9 o f 15 passes for 167 yards.

Southpaw Pomeroy, a converted halfback from the quarterback spot, showed flashes of Terry Baker Saturday night in tossing a 29-yard scoring strike to Jon Fowler. Also triple threat man Pat Pagett will start at the quarterback spot and will riddle Falcon defenses with his roll out maneuvers.

For the past two years the Talcons have lost to the Warciors taking home the milk can. Two years ago the score was 28-18 and last year on the strength of soccer kicking Otto Reiger's toe, they triumphed

not from the line or for that matter the ballcarriers, but from the quarterback spot.

This season Cates started four unknowns at the allimportant spot and while both Leroy Perkins and Gary Davis have shown flashes of brillance, over the long haul things look mighty bleak.

On two different occasions both of the field-generals

spun completely around in a hand-off maneuver and were thrown for losses. Acceptable? Perhaps in the first game, but in the third?

On drop back or roll out passes Perkins does better than average unless he is trying to elude an on rushing lineman. Perhaps the slowest man on the team, Perkins makes an easy target for a big loss. Davis, on the other hand, seems to think he has all day to throw and when he does finally let go of the ball, the enemy tacklers are hanging on to him.

The other two quarterbacks, Earl Graves and Doug Magness, have yet to see any appreciable action to show their talents.

Another starting fact is a total of 14 fumbles in the three outings. Those 14 are more than half of what the team dropped last season. Five alone bit the dust in the Valley fiasco. Four of these were bad handoffs from the quarterbacks.

On the plus side of the margin, the defense looks great. In fact it has carried the team so far. Its main weakness is the secondary, but the pass is the hardest play in football to defend against.

The front line, anchored by Jim Ferguson and Ron Yary, has been tenacious on rushing plays. Yary may yet show up Ferguson as the squad's outstanding lineman. Against Mike Scarpace of Valley, who was an All-American in high school, Yary put down the lid and Scarpace was only able to do damage on one play the whole evening.

Freshman Ken Poelstra and Bob Biggs may get beat once in-a-while in the defensive backfield, but they make up fot it. Combined the two have five intercepted passes.
