

500 Elect Ten New Freshman Senators

Record Number go to Polls,
Part-Time Vote Very Small

Voters went to the polls in force last Friday to elect 10 freshmen to the ASCC Senate. A new voting record was established as 531 students voted on twenty-three students who ran.

According to the Dean of Men Richard Robinson, 500 full-time students cast their votes and 31 part-time students exercised their new voting rights.

Student Body President Monte Gualtieri said the turnout wasn't as good as it should have been for the part-time students. The problem could have been due to the lack of publicity before Friday's election, according to Gualtieri.

New senators with the number of votes they received in parentheses and in the order which they appeared on the ballot are:

Don Butler (232) Independent
Mike Darrat (187) Independent
Phil Lizarraga (182) Independent
Dave Buckley (137) Independent
Jim Howard (133), Circle K
Ce Ce Berenda (127), Independent
Linda Nash (127), Falconettes
Mike Hanrock (120), Veterans Club

Circle K Tops Clubs In Money Tape Contest

Quarters, dimes, nickels, and pennies and an occasional bill or two grew inch by inch during Tuesday's money tape held at the foot of the Student Center.

The money tape, which netted a total of \$389.18, is the first of several fundraising activities sponsored by the "I Care" project. The proceeds of the project goes to the Bell Garden Indian Mission this year's Christmas project.

Twelve clubs on campus participated and sponsored a tape. The clubs competed in two categories—Panhellenic and Service, Curricular, and Special Interest. Theta Phi, sorority, placed first in the Panhellenic division with \$55.86. Circle K, which also was the over-all winner, brought in a total of \$79.76 to lead the Service, Curricular, and Special Interest groups.

The two winning clubs will receive a certificate at the Fall Awards Banquet held at the end of the semester. A trophy will later be awarded to the over-all winner after other monies have been totaled in.

Clubs also competing in the money tape were, in the Panhellenic division, Phi Kappa Zeta (\$37.08), Delta Phi Omega (\$21.50), Sigma Phi (\$39.05), and Sigma Alpha (\$25.38).

In the service, curricular, and Special Interest groups they were Sigma Epsilon Theta (\$25.35), Dorian (2.33), Vets (\$21.34), Tau Rho Beta (\$19.92), Newman (\$40) and Sinawik (\$21.55).

Kathy Halsey (119), Independent
Eddie Rodriguez (87), Independent

After the new Senators were seated Wednesday they elected Don Butler as their Minority Leader and were then assigned to one of the standing committees existing within the Senate.

Standing committees in the ASCC Senate are the Rules Committee, Finance and Budget Committee, Special Services and Activities Committee and the Ideas and Discussion Committee. All 30 members of the Senate must be a member of one committee. Chairmen for the committees are: Senator Margaret Saito, Rules; Senator Dan Bisher, Finance; Senator Nancy Ramirez, Special Services; Senator Ron Grasman, Ideas.

Drive Nets 120 Pints Of Blood

Donations totaled approximately 120 pints in the Veterans Club Annual Blood Drive held last Wednesday from 10:30 a.m. to 3 p.m. in Burnight Center 31.

Those who donated blood established life-time eligibility for themselves and members of their families to draw a free unit of blood from the Red Cross for every unit donated. A record of all donations is kept in the Blood Bank files for this purpose.

A decrease in donations appeared in this year's blood drive as compared to last year's, which netted 200 pints. This was partly due to rejections and failure by students to bring parental consent slips.

Ron Grasman, president of Vets, expresses his gratitude to students who donated blood and to those who were unable to donate due to rejection for one reason or other.

Seminar Discusses Current Problems

A free-wheeling discussion of current American problems will be held tonight at 8 p.m. in Burnight Center.

A panel of profs led by Howard Taslitz will represent both liberal and conservative viewpoints. This diverse group will kick off the discussion and lend an impetus to the proceedings. The audience, however, will be the main attraction since it is their opportunity to sound off.

Some of the topics to be disputed are civil disobedience, the population explosion, gun control, racism, the generation gap, the credibility gap, and the loss of identity in the college student.

So, put a little controversy in your life, sharpen your point of view, and get involved!

THETA'S TRIUMPH — Theta Pledge Mistress adds coins to money tape that placed them first in the Panhellenic division. The sorority raised \$55.86 for the Indian project. (TM Photo by Bob Scheider)

Eighteen Co-eds Vie For 1968 Homecoming Queen Monday

By MIKE BOWER
Executive Editor

Eighteen clubs and organizations on campus have selected a lovely co-ed to represent them in the 1968 Homecoming Queen election to be held Monday, October 14.

The young ladies' quest for the coveted crown began on Monday of this week when their names were turned in as prospective candidates. A careful screening by the Candidates Committee found all girls passing the test.

Monday's election will narrow the eighteen to seven. These seven will be members of the 1968 court and will be placed on the final election ballot for the 1968 Queen.

According to Homecoming Chairman Don Butler, this year's queen race should be one of the closest and hardest fought contests in the history of the college.

"All the girls are well qualified and Cerritos could be proud to have any one of them on the court," stated Butler. The eighteen and the organizations sponsoring them are as follows:

SHERRY ANGELL is the Dorian's choice for queen. Sherry resides in Bellflower and graduated from Downey High School. The 5'7" blue-eyed sophomore is a Psychology major and hopes to obtain a Ph.D. in that field and work with children. Her activities at Cerritos include President of Dorians; Chairman of the 1969 Jazz Festival; a member of the 1968 Homecoming Committee; and Alpha Gamma Sigma. Sherry is also active in the Cerritos Madrigal Singers and Rainbow Girls. She enjoys singing, horseback riding, and piano playing in her spare time.

CECILIA (CeCe) BERENDA is a 5'9" blue-eyed blonde freshman candidate and is sponsored by Lambda Alpha Epsilon. CeCe is a member of the Cerritos Falconette Drill Team and of Newman Club. She was recently elected to a seat on the ASCC Senate. She likes to sew and go horseback riding in her free moments. Her major is undecided and she plans to attend Cal State Long Beach after graduation. CeCe graduated from St. Paul's High School and lives in La Mirada.

BECKY CANALES is being backed by Sigma Alpha. She is a 5'4" brown-eyed brown-haired freshman Art major. Her hobbies include designing clothes

and painting. She is a member of the Art Club on campus and hopes to become an art teacher or an elementary teacher some day. Becky lives in Downey and is a graduate of Downey High School.

CYNDI EVANSON has been selected as the Wrestling Team's candidate. Cyndi is a Legal Secretary major at Cerritos and hopes to become an executive secretary upon graduation. The 5'7" brown-eyed, brown-haired sophomore lives in Bellflower and attended Downey High School. Cyndi is head song leader on this year's pep squad and belongs to Big C and Alpha Gamma Sigma. She likes to spend her spare time dancing, sewing, water skiing, and playing tennis.

LINDA HARENGAME will represent the Falconettes in the election. The freshman airline stewardess major is 5'5", brown-haired and blue-eyed. She enjoys swimming and is a member of both Falconettes and Big C. Her future ambitions include becoming an airline stewardess. Linda graduated from La Serna High.

NANCY HEATON is the Sweetheart of Sigma Phi. Nancy resides in Bellflower and attended Bellflower High School. She is a sophomore Home Economics major and stands 5'3" with brown eyes and brown hair. Her activities at Cerritos have included membership in Delta Phi Omega of which she is now president, Jazz Festival Princess 1968, Miss Shamrock 1968, and she received a Bronze Falcon in the Spring of 1968. Her future plans call for Cal State LA and a career in food photography.

LINDA LEWIS is sponsored by the Cerritos Choir. She is a sophomore art major and plans on a career with United Airlines next summer. The 5'3" green-eyed blonde likes singing, art work and going places and meeting people. She lives in Bellflower and is a graduate of Bellflower High School. Her activities have included dancing in the Hollywood Bowl during the 1967 Battle of the Bands.

MARIE LOPICCOLO has been selected by Tau Rho Beta. She is a sopho-

more dental assisting major. Marie stands 5'7" and has brown hair and brown eyes. She graduated from Downey High and lives in Downey. Her hobbies are water skiing, snow skiing, and dancing. She hopes to continue her work in dental assisting after leaving Cerritos.

JUDY MIKKELSEN is the Sweetheart of Circle K. The blue-eyed blonde sophomore Dental Hygiene major graduated from Covina High School and lives in Downey. She comes to Cerritos from UCLA where she pledged Delta Delta Delta and was the Sweetheart of Sigma Chi. Her activities at Cerritos include being a member of the pep squad as a song leader, and a reporter on Talon Marks. She enjoys playing the piano, swimming, and baking in addition to song leading, water skiing, tennis, and volleyball. She hopes to attend the USC school of Dentistry next fall and became a dental hygienist.

RANDI MONTGOMERY is being backed by the Newman Club. Randi is a 5'5" green-eyed, brown-haired freshman from Bellflower. She attended St. Paul's High School and is undecided in her major. She enjoys watching football and basketball and hopes to learn water skiing and flying. Her future plans include either furthering her education or becoming an airline stewardess.

SANDY PEARSON is a 5'6" brown-haired, green-eyed sophomore Sociology major. She is being sponsored by the Cerritos Football Team. Sandy is a world class figure skater and has competed in a number of beauty contests. She likes water skiing, dancing, skating, and weight training in her spare time. Among her titles are Miss Cerritos-Artesia 1968 and Third Place World Gold Skate Classic 1967. She plans to work in some phase of social service. Sandy resides in Cerritos and attended Downey High.

JOYCE FUHARICH, a 5'6" brown-haired, brown-eyed sophomore Spanish major, is LDS Clubs choice for Homecoming Queen. Joyce lives in Downey and graduated from Downey High. Her activities on campus include membership in Delta Phi Omega, Big C, Song Leader on Pep Squad, and reporter on Talon Marks. Her hobbies include water skiing, and collecting records. She plans to either continue her education or be-

Fall Play Goes Into Production

The Theater Arts department presents, as their first production for the fall semester, the award winning drama *David and Lisa*.

It is a strange, appealing and utterly fascinating story of two mentally-disturbed adolescents: David, only son of wealthy parents, over-protected by a dominating mother who is tortured by his mania against being touched; and Lisa, the waif who has never known parental love, who has developed a split personality and is in effect two different girls, one of whom will speak only in childish rhymes and insists upon being spoken to in the same manner.

The play follows them during the course of one term at Berkeley School, where they come under the sympathetic and understanding guidance of psychiatrist, Alan Swinford, and his staff; follows them and their fellow students through exhilarating progress and depressing retrogression. It is a story told with laughter and heartbreak and suspense, and with the continuous absorption of an authentic and well-told story about problems that are totally unfamiliar to most of us.

Heading the cast is Deborah Maher as Lisa, Paul Laramore as David, Jerry Herbener as Dr. Swinford. An excellent supporting cast includes Mark Abel, Martha Abel, Ron Adams, Melody Ashburn, Wanda Beck, Bill Butcher, Dale Carver, Melanie Champion, Christ Costello, Dan Darnell, Robert Dunkerly, Mike Greene, Charles Hernandez, Glenn Mason, Bill Moore, Barbara McCarty, Valleta Ann Ringsaker, Joan Shaw, Charles Tubbs, and Pamela Van Valkenburg.

Cards Stunts Start At Saturday's Game

Tomorrow night the Big C card section will perform two exciting stunts at the game. Four hundred seats will be available near the 30-yard line. Clubs should reserve a block of seats within the section.

The entire college is invited to participate in the card section. Students should wear a white shirt or blouse during the stunt. Club jackets can be worn at other times.

Cards will be passed out just before the stunt and will have instructions written on them. Participants should read them carefully.

When the "prepare" sign is flashed, cards are readied for the stunt. On the count of three students should raise the card, hold on the count and lower. It's that easy.

The card stunts will help to promote spirit at the games and show that Cerritos is really on top, in spirit.

Homecoming Calendar

- Oct. 14 Court Election — all day; Quad Dance, 12-2 p.m.
- Oct. 15 Space Expo — Quad all day.
- Oct. 16 Folk-In — Quad 12 noon
- Oct. 17 "Pat Paulsen For President" Rally — Student Center 11 a.m. Look-Alike Contest.
- Oct. 18 Frisbee Throwing Contest—Quad 12 noon
- Oct. 21 Pizza Eating Contest — Quad
- Oct. 22 Mini-Skirt Show — Quad 11 a.m.
- Oct. 23 Queen Election — all day; Quad Dance, 12-2 p.m.
- Oct. 24 "Hippie" Rally — Student Center 11 p.m.
- Oct. 25 Homecoming Dinner Dance — Airport Marina Hotel
- Oct. 30 Drag Festival — Quad all day; Student Center, night.
- Nov. 2 Judges Luncheon — Homecoming Game — 7:30 p.m. Cerritos Stadium.

News Briefs

ADMISSIONS REPRESENTATIVE — California Lutheran College will be in the Counseling Office on Monday, Oct. 21 at 2 p.m. Students who are considering this kind of college or who may simply be interested in learning more about a liberal arts curriculum such as they offer should contact the reception desk in the Counseling Office for an appointment.

ROBERT LEE BROWNE, eminent actor-director of Broadway and off-Broadway, will perform "Interpret Poetry and People" Tuesday at 10 a.m. in BC 31 theater for theater and English students. Admission is free, and the performance will be open to all other interested students. Browne appears courtesy of the Mark Taper Forum.

HOMECOMING DINNER-DANCE tickets are now on sale in the Office of Student Affairs. Prices are \$4 for full-time ASCC students, \$6 for part-time students, and \$7 for all non-ASCC members.

HOMECOMING COURT ELECTION takes place Monday, starting at 8:30 a.m. to 2:30 p.m. and again at 6:30 - 9:30 p.m. Polls will be set up at the Student Center and on the patio of the SS Building. Each student is allowed five choices.

BLOOD DONATOR — Approximately 120 students donated blood to the Cerritos Blood Bank during the Vets Annual Blood Drive held in Burnight theater 31. Red Cross representatives were on hand to aid donors. (TM Photo by Dave Hart)

Rally Kicks Off Homecoming Plans

Cerritos College pep rallies have been a hit this year with many students and yesterday's was no exception. Student's gathered in the Student Center at 11 a.m. to generate spirit and enthusiasm for tomorrow night's El Camino game.

"Sign of the Times" was the theme of the rally. It was the kickoff rally in a quarter of specials planned for October and Homecoming. Skits were provided around this theme and a homecoming calendar of events was given to the crowd.

Featured at the rally were the 18 Homecoming Queen candidates. They were introduced to the crowd as the candidates for the 1968 crown.

The cheerleaders added their usual bountiful enthusiasm and some new yells. The song leaders and pep band were also on hand to perform.

Rallies are held every Thursday at 11 a.m. in the Student Center and are open to all Cerritos students.

Campus Calendar

- Oct. 12—Forensics, PSCFA Preview, UCLA Football vs. El Camino, Dad's Night After-game Dance, Student Center, 10 p.m.-12:30 a.m.
- Oct. 14—ASCC Cabinet meeting, Board Room, 2 p.m.
- Oct. 15 — Water Polo vs. El Camino, there CRA Coed Badminton vs. L.A. City College, there, 2-6 p.m. ASCC Court meeting, 2-5 p.m. AWS Board meeting, Student Affairs Office, 11 a.m.
- Oct. 16—ASCC Senate, AC 33, 2 p.m.
- Oct. 17—CRA Coed Volleyball vs. Glendale, there, 1-6 p.m. Rally, Student Center, 11 a.m.
- Oct. 18—Cross Country vs. Bakersfield and L.A. Pierce, here Water Polo vs. Santa Monica, there ASCC Film, BC 17, 8 p.m.

DAN BISHER

The New Vote

Friday's election is now part of Cerritos' political history. Three things happened to make the freshman Senate election different from those of the past. First of all, more voters went to the polls, 531, than in any previous freshman election. Second, a better than average number of frosh had their names placed on the ballot; 23 names were voted on. Last, and the most important because of the legislation passed by the Senate, part-time students were allowed to vote. They are now able to vote in all Senate elections, student body president elections and for homecoming queen.

Voting rights for part-time students is certainly not a new idea at Cerritos. The concept of part-timers voting was brought up several years ago. No action was taken to give them the vote because those in power felt that the students who bought full-time ASCC cards should have a corner on all the rights that go with the cards. Therefore the part-time student was left with a useless piece of brown paper that cost him \$3.

The first student to see the picture in a different light was Monte Gualtiere. In fact, he thought it was an important enough issue to be included in his campaign platform last spring. After the election, the voting issue was one of Monte's priorities. During the fall leadership conference he brought up the subject again to feel out opinions of other student leaders. Then the all important moment came when the bill was introduced to the Senate. Not too surprisingly, there wasn't even one opposing vote.

It will be interesting to see how much the part-time vote will influence the homecoming queen election coming up soon. And it may prove to be a big factor in the student body presidential elections next spring.

Jim Howard

New-Found Attention For Eldridge Cleaver

Recently there has been much discussion on the attempted dismissal of Eldridge Cleaver by the California Board of Regents. What possible reason can there be for the new-found attention and the rather impressive following that Cleaver has secured?

Justified Logically

Perhaps the commotion over the attempted dismissal of Cleaver can be justified logically. There is a chance that Mr. Cleaver is a well-educated, intelligent man who is capable of delivering meaningful and intelligent lectures on the subject of American racism. He might be able to offer several rational suggestions for the correction of the race problem and could therefore be deemed worthy of his recent attention.

However, this assumption seems highly unlikely due to the fact that Cleaver has had no formal education beyond high school, and judging from his speech he is hardly what one would term well-educated. He has also been convicted of a felony, which leads one to believe that he is anything but a highly rational person.

Perhaps there is another reason for the disturbance caused by his attempted dismissal. It might be that he has always been a respected speaker with an impressive following. Perhaps the commotion has been caused by those who know him as an adequate speaker and who do not think he was treated fairly.

An Unknown

However, once again there is doubt concerning the assumption. Before the state's action to sever his relationship with the college, Cleaver was a virtual unknown. He had not lectured extensively in the past, and the enrollment in his lecture series was hardly indicative of a sizable following. The vast majority of his supporters have come since his confrontation with state officials.

Small Scale Martyr

Why then all the noise? The only explanation lies in the unattractive way in which state officials handle the incident. Forgetting, or at least mislaying, all personal diplomacy, the state did the one thing they should have avoided — they made Cleaver a small scale martyr. By refusing him the right to fulfill his contract with the college they gave those who were already attacking the state the perfect person to rally behind.

Cleaver is now in demand not for his ability as a speaker but for the principle of free speech he represents. Henry D. Thoreau once said that the state was constantly guilty of a lack of personal diplomacy. Perhaps he was right. In the Cleaver incident the state's unattractive handling of the situation was surely what made an uproar out of a murmur.

Chief Justice Named

Three of President Monte Gualtiere's appointments were approved by the Senate Sept. 25. Named Chief Justice to the Court was sophomore Laura Peyton, a one-year member of the court. Bob Tower, a police science major, was approved as an Associate Justice; and the Senate approved Richard Edick, a transfer from UCLA, to the Senate.

During the same meeting a bill was introduced by senators Ken Suarez and

After Game Dance Tomorrow Night

Tomorrow night at the conclusion of the football game with El Camino College in the Cerritos Stadium, the ASCC will present the third in a series of after game dances in the Student Center.

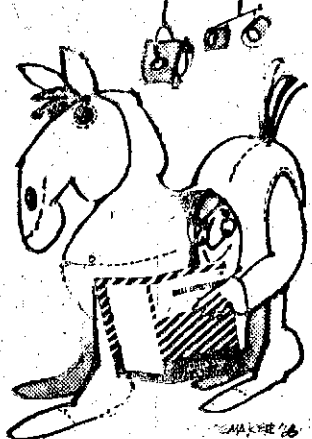

The dance will begin immediately following the game and will last until midnight. Students will be dancing to the sounds of "The Sound of the Times." Entrance to the dance is free with an ASCC card and those wishing to bring a guest must pick up a guest pass for \$1 in the Office of Student Affairs before 4 p.m. today.

All Cerritos College Students are invited and encouraged to attend these dances.

INSIDE RADIO AND TV

Behavioral Sciences More Exciting than TV Violence

By TIM HARRELL

One of the criticisms leveled at the entertainment industry is that it shows too much violence. Dr. Herbert A. Otto, a noted psychologist, told a communications forum in New York that new programs on radio and television deal almost wholly with criminal violence, accidents and military battles.

Otto says there is an excessive preoccupation with killing, death and maiming. He said that glorification of death and crime by detailed reporting in itself contributes to and creates more crime. He added that bad news should be balanced with good news, and suggested that good news should include such things as "exciting discoveries from the behavioral sciences, reports in technical discoveries and innovations."

The Mind's Diet

Another person appearing at the forum was Rev. Morton A. Hill, a member of the President's Commission on Obscenity and Pornography. He told the gathering: "The American mind, particularly the young mind, is being fed a massive diet of violence or the glorification of drug usage and perverted and promiscuous sex. And all of this must have an effect."

To disprove what Dr. Otto said, I sharpened my pencil and did a little figuring. There are 73 television shows on all three networks, that is excluding news programs. Of the 73 shows, 27 could be classified as violent and 45 could be classified in the non-violent area. That means 61.6% of all network programs in prime time, 7-11 p.m. are not violent, which sort of shoots holes in Dr. Otto's theory.

In reference to Dr. Otto's remark about excessive crime reporting creat-

ing more crime, I might remind him that as a result of seeing the motion picture "Bonnie and Clyde" a 22-year-old man and a 13-year-old girl went on a three-state crime spree in the mid-west. So you see, television isn't all to blame.

Obviously Dr. Otto doesn't know much about news. I think he is correct in thinking we should have balanced news. But what is balanced news? Does it mean that every time a story about a murder is aired that it should be balanced with a story about a innovation in science, as Dr. Otto suggests. Or does it mean that every time an item about Vietnam is run, an exciting discovery from the behavioral sciences should follow? Frankly the story from the behavioral sciences doesn't excite me too much.

The public wants to hear about war, crime and violence and the moment TV and radio stations don't give the public what they want they turn the dial to another station.

A Sad Commentary

Rev. Hill says the youth of America have been fed a diet of violence and sex. At any newsstand anyone of any age can read about more perversion and sex than they will see on television. True it is a sad commentary on the American way of life, but TV is not to blame.

Rev. Hill speaks of the glorification of drug usage. There have been countless special programs that have urged young people not to use drugs. They have invited experts in the field who have explained with the use of film the dangers of drug addiction. I have yet to see a television show that condones the use of narcotics openly, and I don't think I ever will.

Report Released On A Study of Alcoholism

A major shift in social attitudes and policies is required to reduce rates of alcoholism and other types of problem drinking, according to a report issued by the Cooperative Commission on the Study of Alcoholism.

The commission, composed of authorities in alcohol research and established under a \$1.1 million grant from the U.S. Department of Health, Education and Welfare, has published the findings of its six-year study in a volume, "Alcohol Problems: A Report to the Nation."

Legal Age 18

To match the prevalence and complexity of alcohol problems, the commission recommended that:

1. Public drunkenness should be regarded as a medical and social problem, rather than a legal and criminal matter.
2. Both advertising and state licensing should discourage drinking for its own sake, providing instead for its integration with meals and other social activities.
3. Liquor advertisers should include

references to a host's responsibilities to refrain from keeping the glass full for a guest who has to drive home.

4. The legal age for the purchase and consumption of alcohol should be lowered to 18 because the age limit of 21 is largely unenforceable and created a "hypocritical situation reminiscent of the Prohibition era."

5. The undesirability and disapproval of excessive drinking should be both implicit and explicit in liquor, beer and wine advertising.

6. Barriers to lowering the alcoholic content of whiskey, gin, bourbon and the like should be removed.

Favorable Climate

The commission declared that "the climate is now favorable for the development of a reasonable American alcohol policy, and it is now possible to consider ways of encouraging appropriate drinking behavior — and discouraging other kinds — while still leaving people who wish to abstain entirely free to do so."

PRESIDENT'S COLUMN

Freshmen Draw a Record Turnout

Due to recent action initiated in the executive branch of student government and introduced and passed unanimously by the ASCC Senate, the part-time students of Cerritos College now have the right to vote in presidential and senatorial elections. As President, I feel that this right for part-time students is only a portion of the privileges that they should have in student government.

This past week we had an election for freshmen senators and the turnout was a record for a freshmen election. Much to my dismay, out of a total of 6,000 part-time students, only 31 of them voted. This is the most voters that have turned out for a freshmen election, but it doesn't reflect an outstanding show of either the full-time or the part-time students in comparison to 10,000 students.

Most of you want to be involved but are yet reluctant to utilize your right to participate. I just wonder if the citizens of the United States will be as reluctant in the presidential election in November. I know that many of our students at Cerritos are of the voting age, and if they don't show an interest in their campus, I doubt very seriously if they will take interest in their country. Apathy is a poor excuse, and I only hope that it won't be used for an excuse in the November elections. Be Americans and get out an ask questions, find out who the candidates are, and then participate.

I want to extend congratulations to those of you were elected and I look forward to working with each of you.

Here it is the fifth week of school and out of 10,000 students not one has ventured into the Office of Student Affairs to find out who their President is. I've sat in the Coffee Shop and have heard people ask questions such as, "Who is the ASCC President?", "What is he like?", and "Is he in such a position that he won't want to talk to us?" These are a few of the questions. If you want the answers, I suggest that you come in and see me. I'm on campus every day from 10 to 12 noon.

Homecoming is coming up and this call for another election. Most of the clubs will have candidates nominated. It all goes back to the student body when the time comes for the election of the Homecoming Court. Let's really get out and have a good showing. Vote for the woman you would want to represent your college. Let's make this a Homecoming that Cerritos will never forget.

As for the football team, what can I say. Let's perk up team. The students are still with you, so let us know you're with us. Beat El Camino.

ASCC President Monte Gualtiere

President Thanked

Dear Editor:

A heartfelt thanks to the ASCC Student Body President Monte Gualtiere for initiating legislation permitting the night students to vote in all major elections.

And more thanks to the Senate for passing such legislation. It is wonderful to know that the students in student government realize that the night student is also a student. They have just as much right to vote as the day student. They pay a student body fee and their money goes to the many activities that we have. Many may not have the time to participate in running for election or homecoming queen, but this is the first step.

Perhaps in the next election we can really get a better picture of who has more interest or who is more apathetic.

CLUB CORNER

Card Section Begins This Week

By CHRISTINE TORRES
Enthusiasm is brimming in the Big "C" club as they prepare to present for the first time a card section at this week's home football game.

Many students are needed to help number the cards, paint them, and think of routines for the card section show. Also students are needed to sit in the white shirt section during the third quarter to put on the show. The only way to have a successful card section is with student support.

LDS
An opening social to promote interest in club activities and objectives will be held by the LDS club. Fifty cents admission will be charged to bolster the club treasury. If interested call 860-6151. Intersted call 860-6151.

LAMBDA ALPHA EPSILON
The LAE fraternity held their coffee hour Wednesday October 2 in the student center to introduce the fraternity to future members. The meeting was open to members, future members and their dates, with approximately 50 members attending.

President Jim Stuart and pledge master Mike Carter answered questions about the frat. They also spoke on why it would profit interested students to join.

"I Care" will be the name of the project to be shown to Indians at the Bell Gardens reservation.

A workshop will present information on narcotics to make the Indians aware of the effects of their use and misuse. It will be held on October 23 at 8 p.m. in Bell Gardens.

YOUNG DEMOCRATS
The Young Democrats shall hold their next meeting on Tuesday, October 13 at 11:00 a.m. in the SS building, room 313.

The organization is particularly interested in gathering suggestions for new projects to stimulate interest and support for Democratic candidates both on campus and in the community.

At this meeting, members will evaluate the success of their booth project and try to decide the role of the Young Democrats in relation to the campaign being conducted in our geographical area.

GERMAN CLUB
A repeat performance has been requested of the first meeting of the German Club. It will be held October 15, in LA 23 at 11:00.

Ann Pierro will show slides of her trip to Germany where she attended classes and toured the country.

The German Club is open to all

students interested in activities relating to the German language, literature, music, art, or the country itself.

Stage Bands Add Forte To College

By JUDY MIKKELSEN
One of Cerritos College's finest, yet one of the often times overlooked attributes is the Music Department.

A major portion of this program is one that is often overlooked itself... the Cerritos College Stage Bands.

There are two such bands on the Cerritos campus. The first is the Collegiate Neophonic Orchestra. This group is for college age people from all over Southern California — from Ventura County to San Diego. Many members come from Cerritos.

These people from throughout the southland meet at Cerritos Saturday mornings for practice. According to Cerritos Music instructor Don Erjavac the idea for this type of orchestra started four years ago with Stan Kenton, who is always pioneering "new sounds", naming it Neophonic Orchestra which means "new sound".

Stan Kenton's Neophonic Orchestra was the first "jazz orchestra" to play in the Los Angeles Music Center, playing three seasons of six concerts each. Because their music had never been played before, at least in that manner, it gave the audience an opportunity to hear the first resident jazz orchestra in the world.

"This orchestra can play the same music with almost the same quality as that played in the music center by professional neophonic orchestras" stated Erjavac.

Another member of the stage band team is the Cerritos Night Stage Band. This group meets on Monday nights from 7-10 p.m. The band is composed of members, some of which have played with big name bands. Consequently the quality of the group is very good. They give two concerts each year.

Two well known conductors have been associated with the group... Dot Severson of the Tonight Show and Bud Shank.

Erjavac invited anyone interested in "good quality music" to feel free to come and listen to practice sessions.

These bands are only a part of the vast Cerritos College Music Department. So that those involved and you the student might benefit, they have been an active part in the life of Cerritos College.

Candidates...

come an airline stewardess. She would enjoy working for the State Department.

LINDA REED is the Pep Squad's selection. Linda is a resident of Lake-wood and attended Artesia High School. The 5'3" brown-haired, brown-eyed sophomore is a Business Law major and a member of the pep squad as a song leader, and Big "C". Linda has appeared in Cerritos College drama productions and has won several awards for her acting talent. She also enjoys watching sporting events and dancing. Her future plans call for work.

DANA RINER has been sponsored by AWS. She is a freshman Administrative Secretary major and a blue-eyed blonde standing 5'5". Her hobbies include Baton twirling, collecting pennants, dancing, and sports. Her campus activities include pledging Delta Phi Omega, and Frosh Representative for AWS. She attended Excelsior High and lives in Norwalk.

TINA ROMERO is being supported by the Veterans Club. Tina is a 5'4" brown-eyed brunette sophomore majoring in Dental Assisting. She likes to water ski and ice skate. She is a song leader and a member of Big "C". A graduate of Norwalk High School, she lives in Cerritos. Her future plans are to attend Airline School. Tina was very active in student activities in high school and was Girl's State Representative. She is the Vet's Club Sweetheart for October.

CAROL SOPP is running from Phi Beta Lambda. The 5'5" brown-haired, green-eyed sophomore is a Business Administrative Secretary major. Carol's campus activities include Phi Beta Lambda, of which is president, Alpha Gamma Sigma, and ICC. She enjoys water skiing and golf in her spare time. Last year Carol was runnerup in the California Miss Future Business Executive contest. She is a graduate of Warren High and lives in Downey. She wants to become a business teacher.

LINDA VIGNAROLI is Theta Phi's choice. Linda attended South Gate High and is a freshman at Cerritos. The 5'2" green-eyed brunette plans to become an elementary teacher. Her hobbies are snow and water skiing and she is a member of Theta Phi on campus.

CONNIE VOTH is the selection of Phi Kappa Zeta. Connie is a sophomore Dental Assisting major. At 5'2" she is tied for the honor of the smallest candidate. Her hobbies include sewing and outside sports. She loves cats and flower arranging. She is a member of Alpha Gamma Sigma and Phi Kappa Zeta. Connie is the "Americanization Girl" for the Cerebral-Palsy Benefit to be held November 8 in the Anaheim Convention Center. She lives in Norwalk and attended Excelsior High. Her future plans are to become a Dental Assistant.

College Innovates "Music At Eleven"

The weekly noon time musical entertainment at Cerritos College will receive a new look this year, as an innovative approach will be initiated with "Music At Eleven."

According to Cerritos College music director Don Erjavac, the old "Jazz At Noon" program has been abandoned for a unique musical presentation each week in BC 55.

"This year music will be a varied program of what we like to term 'American Music'... a cross section of folk-rock, Latin, and even some (gasp) jazz!" stated the music instructor.

"We hope to make the programs interesting and to a degree exciting," exclaimed Erjavac. "Many of the numbers will be arrangements of originals by the students or myself," he continued.

The ever-present problem of calling this type of music jazz plagues many musicians according to Erjavac.

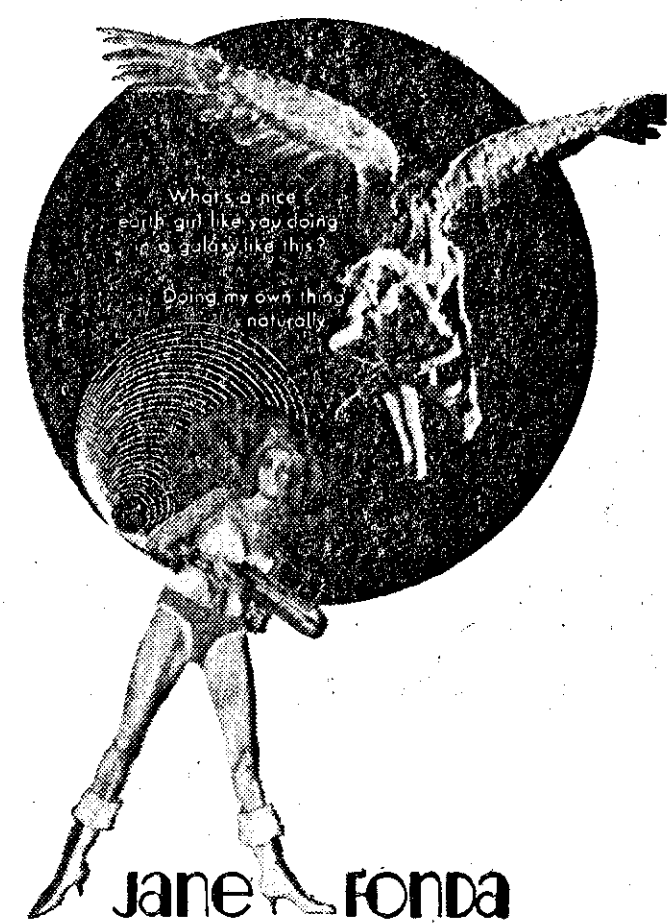

"The word is hard to define. With

many it presents serious problems (1) The word jazz connected with music will alienate many young people and (2) to the establishment, it does the same."

Many fine performers have come out of the Cerritos College music program and have gone on to professional groups. Cerritos grads have played with such big names as Stan Kenton, Harry James, Sy Zentner, and Tony Bennett.

Erjavac encourages students to attend the "Music At Eleven" concerts and hopes they enjoy this new approach to day time entertainment.

Orange Coast Defeats Cerritos 9-8 in Sudden Death Overtime

By RICHARD FRENCH
Sports Editor

This afternoon the Cerritos water polo team opens its 1968 Metro Conference season against the Pierce Brahmas, a new member of the conference, at 3:30 in the Falcon pool. The Falcons have an eye on improving on their second place conference finish and fourth place finish in Southern California last season.

Second in Southern California

Last week the poloists participated in the Southern California Invationals at Orange Coast and came away with a second place finish in a tournament that featured eight of the top junior college polo teams in Southern California.

The Falcons opened action last Tuesday afternoon, October 1, by defeating Santa Ana 10-4. Bob Shupp paced the Falcon scorers, as he was to do throughout the tournament, pouring in four goals. Freshman Bill Buckley

showed that he is one of the most promising freshmen in the conference by tallying twice. Craig Vincent also added two goals, while Jack Robinson and Steve Oliver each scored once.

Shupp Sinks Six

Tuesday night the Falcons edged by Fullerton, 10-9, in overtime as Buckley and Shupp combined to pull the win out for Cerritos. The Falcons trailed 9-8 with just 1:10 left in the game when Buckley scored. Then, with 1:13 elapsed in the sudden-death overtime period, Shupp scored his sixth goal of the game to ice the Falcon victory. Buckley had three goals, and Oliver added one. Pat Tyne, Falcon coach, was pleased with the win, but felt that the deciding factor in the game was penalties. The Hornets had 37 fouls to only 18 for Cerritos.

Pirates Prevail

The Falcons returned to Orange Coast on Wednesday afternoon and promptly learned how intent Orange Coast was on improving their second place finish in the state last season as the Pirates drubbed the Falcons 8-3. Shupp and Buckley had both fouled out midway in the third period, taking with them the Falcon scoring punch as Cerritos was shut out the rest of the game. Shupp had two goals and Buckley added the other in the contest.

Chaffey and Cerritos opposed each other on Wednesday night and the Falcons came away with a hard-fought 10-7 victory. The score was tied at 3-3 at halftime, but Cerritos outscored Chaffey 4-2 in the third period and held on for the win. Shupp scored four more goals and Buckley had two. Craig Vincent and Mike Pickup displayed the Falcon team balance by scoring three and one goals respectively.

Finals Postponed

The stage was then set for the final game between Cerritos and Orange Coast Wednesday, but had to be postponed until Thursday afternoon due to a lightning storm.

Returning on Thursday, the Falcon

poloists played the Pirates on an even keel for six periods. The first quarter saw Cerritos on top, 2-1, but Orange Coast tied the score at 3-3 at the half. The score was tied at 5-5 in the third quarter and at 7-7 at the end of regulation play.

Both teams scored once in the first overtime period to knot the score at 8-8, but the second overtime stanza was scoreless. The game then became a sudden-death contest, and the outcome was determined with 3:12 gone in the period when Bob Hughes, a returning letterman for Orange Coast, scored his only goal of the game on a backhand shot, giving the Pirates a 9-8 victory.

Eight Falcons and six Pirates fouled out during the contest, and Cerritos played the last two minutes with no one left on the bench to play. Only Shupp and goalie Dennis Kracker of the starting team did not foul out.

20 Goals for Shupp

Shupp added four additional goals in the contest, bringing his tournament total to 20, while Buckley scored two times. Vincent and Nelson Swartley each scored once.

"It was a very good tournament overall," said Tyne. "Chaffey and Fullerton showed that they are very tough, and Orange Coast looks better than they did last year when they were second in the state."

"I'm not happy with losing, obviously, but we made a good showing of ourselves. We're going to improve with time, along with El Camino and Long Beach, who didn't appear to be playing together too well yet. The big question is how much the other teams will improve, and how much time we have."

El Camino Next

Next Tuesday, the Falcons will have a chance to find out as they meet El Camino at 3:30 in the Warrior pool. The Warriors finished in a tie for fifth place in the Invitational tournament with Long Beach City College. Both the Vikings and Warriors are considered to be top choices for the Metro title this season.

Falcons Crushed by Santa Monica, Host Unbeaten Warriors Tomorrow

BY DARRYL JACKMAN
Asst. Sports Editor

Santa Monica showed the Falcons just why they are rated number one in the nation last Friday night by crushing the Cerritos gridders 46-8. This was the third loss of the year absorbed by the Falcons.

The Cerritos defense shined in the first quarter as both teams traded punts and got nowhere until the closing seconds. At this point Corsair quarterback Ken Boney connected with Tony McNeal for a forty-eight yard touchdown pass. The P.A.T. was added, after time had run out in the first quarter and gave Santa Monica a 7-0 lead.

Cerritos took the opening kickoff in the second quarter and before they could run a full series of downs, Tom Hills

Len Boen then hauled down a 48-yard touchdown pass from Boney. That made it 26-0, but only for a short time. After holding Cerritos again, fullback Martin scored on a seven-yard run to make the half time score 33-0.

During the second half, Santa Monica only scored twice, bringing their final point total to 46.

Cerritos got on the board in the fourth quarter. Ernie Bergen recovered a fumble on his own twenty-eight for the Falcons and the offense finally went to work. On fourth and four on the Corsair nine, Ernst hit Bain Brick in the end zone with a pass. The Falcons decided to go for two points and were successful when Gary Stempson hauled down a pass in the endzone.

This week the powerful El Camino Warriors invade Falcon Stadium. The Warriors will be fresh off a 42-7 trouncing of Pasadena. They will also be looking to take over the number one spot in the Junior College grid ratings from Santa Monica.

Bakersfield Tickets Now on Sale in S.C.

Students are reminded to pick up their free tickets to the Bakersfield football game on Saturday, October 26 at an early date. The game will be the Bakersfield Homecoming and all Bakersfield games are sellouts so tickets will not be available for Falcon rooters at the gate.

Tickets are free with ASCC cards at the Box Office in the Student Center. Hurry and get yours now while they last.

picked off a pass from Falcon quarterback Mike Ernst and returned the ball to the Cerritos 33-yard line. Seven plays later Corsair Bob Elliot scored on a plunge from the Cerritos two. The kick was no good and Santa Monica took a 13-0 lead with more to come.

The Falcons again ran three plays and gave up the ball on a fourth and one situation from their own thirty-two. Cerritos' defense rallied and looked like they would force the Corsairs to punt on a fourth-and-ten situation, but the punt turned out to be a fake and went for a twenty-six yard gain. The ball was carried by fullback Gene Martin. From here it took the Corsairs only nine plays to score. Again Elliot carried the ball over from the one.

Sporting a 20-0 lead the Santa Monica defense got even tougher and stopped the Falcon offense without a first down.

'Dad's Night'

Tomorrow night's football game with El Camino is the traditional "Dad's Night" and fathers of Cerritos students are invited to attend the game free and sit in the Student Rooting Section as guests of the college.

Students desiring to have their fathers attend the game free must pick up a ticket for the game at the Student Center Box Office before 4 p.m. today. Tickets are free upon presentation of an ASCC card, and will not be available at the gate on the night of the game.

Fathers of Falcon football players will be honored in a special halftime presentation.

TALON MARKS SPORTS

CROSS COUNTRY TEAM HOSTS CORSAIRS THIS AFTERNOON

Cerritos cross country runners entertain the Santa Monica Corsairs on their home course this afternoon in an attempt to pick up their first Metro Conference victory of the season. Last week the Falcons ran into stiff competition in Valley and Long Beach in a triangular meet held at Griffith Park.

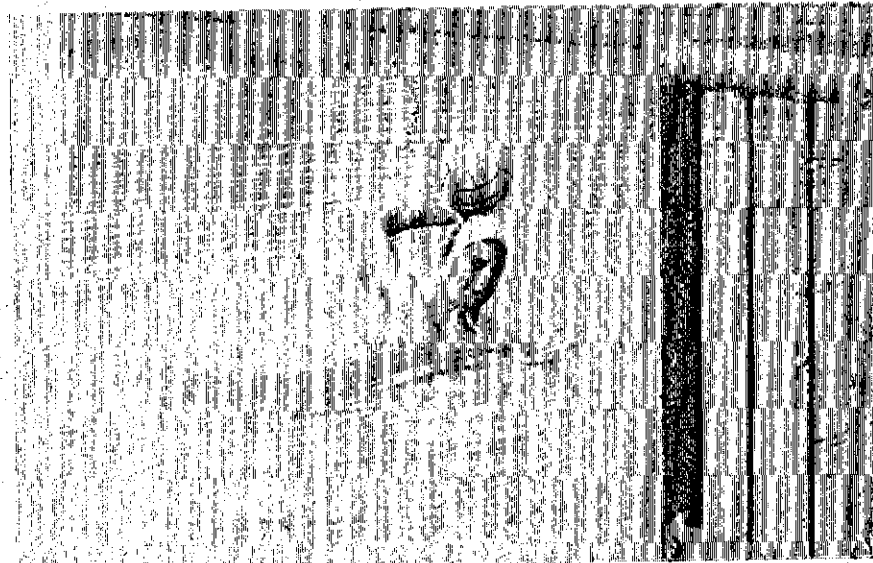

Valley cleaned house on both Long Beach and Cerritos, dropping the Vikings and the Falcons by identical 15-49 scores. Long Beach also trounced the Falcons 23-36.

The Cerritos distance men came up against a record-breaking performance by Valley runner Mark Covert over the rugged four-mile course at Griffith Park. Covert eclipsed the old course record set last by Mike Wagenbach, also of

Valley, of 22:18 as he clocked the distance at 22:13.

John McNiece and Pat Curran were the speediest Falcons of the day. McNiece finished eighth overall in the dual meet with a time of 24:25, and Curran placed twelfth in the meet with a 25:01 time. Other runners placing for Cerritos were Randy Mason, finishing thirteenth with a time of 25:14; Jim Hill, nineteenth at 27:06; and Mark Johnson, who finished in the twentieth spot with a 27:04 time. Other runners for the Falcons who did not place were Dennis Ruby, Mike Heggeman, Mike Fountain and Dave Castleman.

The meet this afternoon with Santa Monica will begin at 3:30 on the Falcon track.

SHUPP SHOOTS — All-American Bob Shupp shoots for one of his 20 goals in the Southern California Invitational Water Polo Tournament held last week at Orange Coast. The Falcons took second place in the tournament. (TM Photo by Dave Hart)
