

## FALL PRESIDENT RACE GOES TO VOTE APRIL 27

*100 signatures needed for petitions  
by next week; only one slate so far*

By MARK HEUSTIS  
TM Staff Writer

Presidential hopefuls must turn in a petition to Student Activities with 100 signatures from ASCC members by April 15 at 4 p.m. to be eligible to run.

Candidates should have a valid ASCC card and be registered at Cerritos. An overall GPA of 2.25 is also required with at least a 2.0 from last semester.

Pictures submitted by presidential and vice presidential candidates before then will be included on the ballot.

Orientation will be on Monday, April 18 at 1 p.m.

Elections run April 27 and 28 from 8:30 a.m. to 2:30 p.m. and from 6 to 9 p.m. at the Student Center, Social Science building, and at Health Services.

Other qualifications include having at least 10 units at the May inauguration, and cannot, at the present time, have completed more than 84 units or served for over five semesters on the student government.

The position of president, which includes membership on the Board of Trustees, has a one year term.

The vote tally will take place on Thursday, April 28.

## SPEAKING OUT Speech course called for in general ed core

By JOHN WELSH  
TM Managing Editor

"The English Communication subject area must include an oral communication course and the Social Sciences area appears to be weak in the implementation and fulfillment of certain goals."

Such were the words of Cerritos College President-Superintendent Dr. Ernest Martinez in a letter addressed to Dr. Ronin Farland, of the State Chancellors Office.

Martinez felt that the proposed General Education Transfer Core Curriculum, to be an idea "long overdue."

As written in the Core Curriculum, states Martinez, a student may take three semesters of written English and completely avoid an oral communication course.

Says Martinez: "The present CSU transfer requirements mandate an oral communication course, and throughout the state there is ample justification for the need to include both oral and written skills in the general education requirements."

Martinez also feels a separate critical thinking course should be required.

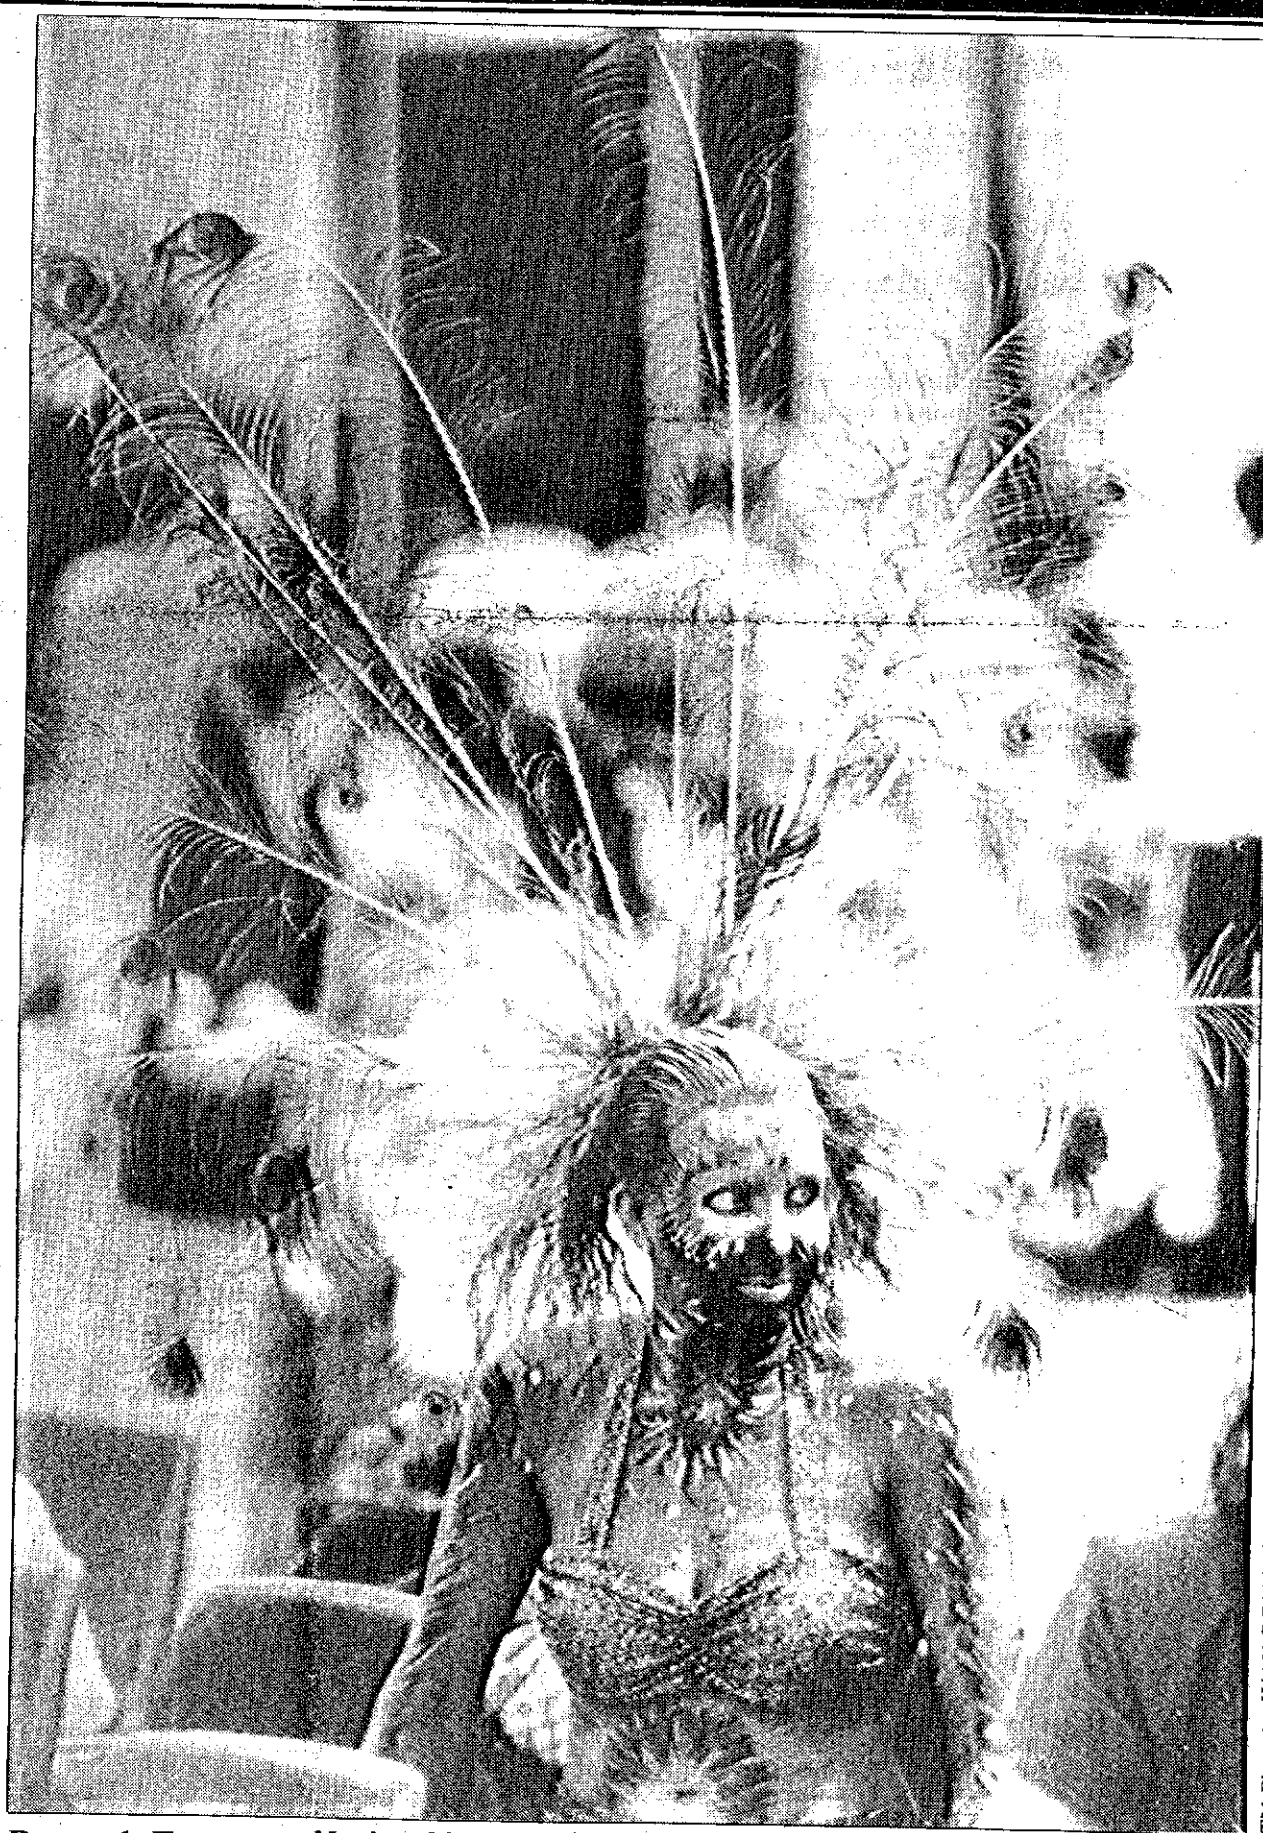

"Thinking critically can be defined as rationally deciding what to do or believe," Martinez said in the letter.

"It is a complex of many considerations and requires individuals to evaluate their own and others views, to seek alternatives, to make inferences, and to have the disposition to think critically and fair-mindedly."

Martinez felt that the Social Sciences area appears to be lacking in acting out goals of pushing for the participation of students in the intellectual and cultural life of American society and preparing students, quoting the quote in the letter, "...for the participation in the life of the state."

The president also felt the transfer curriculum should directly demand introductory, survey courses in both U.S. History and American Government.

Without the perspective of history and a fundamental grounding in American government, Martinez did not foresee a smooth time of it for students in understanding or appreciating society and/or intelligently participating in the "life of the state."

### ● MACKSOUND VETOES

ASCC President Alexander Macksoud vetoes two senate approved bills in hotly contested 84-unit and 5 semester debates.

### ● DROP DATE

The last day to drop classes is Friday, April 22. Forms may be obtained in the Admissions office.

### ● 'ROXANNE'

The ASCC will be presenting the movie Roxanne on Thursday, April 9 for two showings, 7 and 9 p.m.

**McGinn resigns after 84-Unit veto****Student government faced with one less *Fewer* Vice-President**

By RICHARD DE LABY  
TM Associate Editor

Kenny Fewer has resigned from the student body Vice-Presidency.

Ed McGinn has resigned from the position of Party Whip.

Both resignations were formally presented by Student Body President Alex Macksoud at Monday's Executive Cabinet meeting.

While Fewer's resignation was friendly, McGinn's was brought about because of personal conflicts with Macksoud's administration.

Fewer recently received a position with the California Youth Authorities and felt it would be unfair to remain in his position when he could not devote the time necessary to be an effective administrator.

This, along with what he described as personal problems, led to his resignation.

"I think it is unfortunate that he has to resign this late in the game after having done such an outstanding job," stated Associate Dean of Student Activities, Phil Houseman, "but he is doing what is best for him."

"I'm sorry to see him go," concluded Houseman.

McGinn relinquished his duties in a letter that was addressed to Macksoud.

McGinn charged that Macksoud had broken campaign promises, including a "no-veto" administration, and that he has put an excessive number of people from his fraternity (Sigma Phi) into office.

Macksoud recently vetoed two bills that were authored by McGinn, and has, according to McGinn, broken the promise he had made.

Macksoud was also accused of pushing for a bill last semester that would lower the number of units required to hold a student body office from 10 to six for the purpose of allowing himself to take less units this semester.

"I carried 14 units last semester and 11 this semester," stated Macksoud. "Why would I take more than was required if I was looking for a way out of taking the 10?"

In concluding his letter, McGinn stated, "In closing, I would like to state that I harbour no feelings of ill will toward you. Hard feelings occur between friends, not between political rivals such as you and I."

VP FEWER RESIGNS — ASCC Vice-President (right) resigned due to work conflict. President Alex Macksoud (left) applauded Fewer's service.

**Universities to be on campus; schedule slated throughout April**

The Transfer Center schedule for the month of April is as follows:

- April 6 — CSU Fullerton 11 a.m.-5 p.m.
- April 7 — UC Irvine 9 a.m.-4 p.m.; Whittier College 10 a.m.-1 p.m.
- April 11 — UCLA 10 a.m.-4 p.m.
- April 12 — CSU Fullerton 9 a.m.-1 p.m.
- April 13 — CSU Fullerton (Eval) 11 a.m.-5 p.m.
- April 15 — UCLA Tour bus leaves 9 a.m.
- April 18 — UC Irvine 9 a.m.-4 p.m.; CSU Dominguez Hills Tour bus leaves p.m.
- April 19 — SCHEC College Mini Fair 9 a.m.-12:30 p.m.; UC Riverside 1-3 p.m.; CSU Fullerton 3-8 p.m.
- April 20 — CSU Fullerton 11 a.m.-5 p.m.

- April 21 — USC 10 a.m.-2 p.m.
- April 22 — CSU Long Beach Transfer Day bus leaves 8 a.m.; CSU Los Angeles Tour, bus leaves 8:15 a.m.
- April 25 — UCLA 10 a.m.-4 p.m.
- April 26 — CSU Fullerton 9 a.m.-1 p.m.
- April 27 — CSU Fullerton 11 a.m.-5 p.m.; Cal Poly Pomona University information and tour, bus leaves 9 a.m.
- April 29 — UC Irvine Tour, bus leaves 9:15 a.m.

**Faculty settles for 5.2 pay hike**

A 5.2 percent boost in salaries, a \$20,000 increase in life insurance policies, and medical coverage for spouses of retired employees were approved for the Cerritos College faculty by the Board of Trustees in the settlement of 1988 salaries and benefits.

The Board also renewed contracts of President/Superintendent, Dr. Ernest A. Martinez, Dr. Walter C. Magnuson, Vice-President of Business Services, and Vice-President of Instruction, Dr. George Melican.

Included in the faculty salary hike are Child Development Center personnel and part-time and temporary instructors and part-time counselors and librarians.

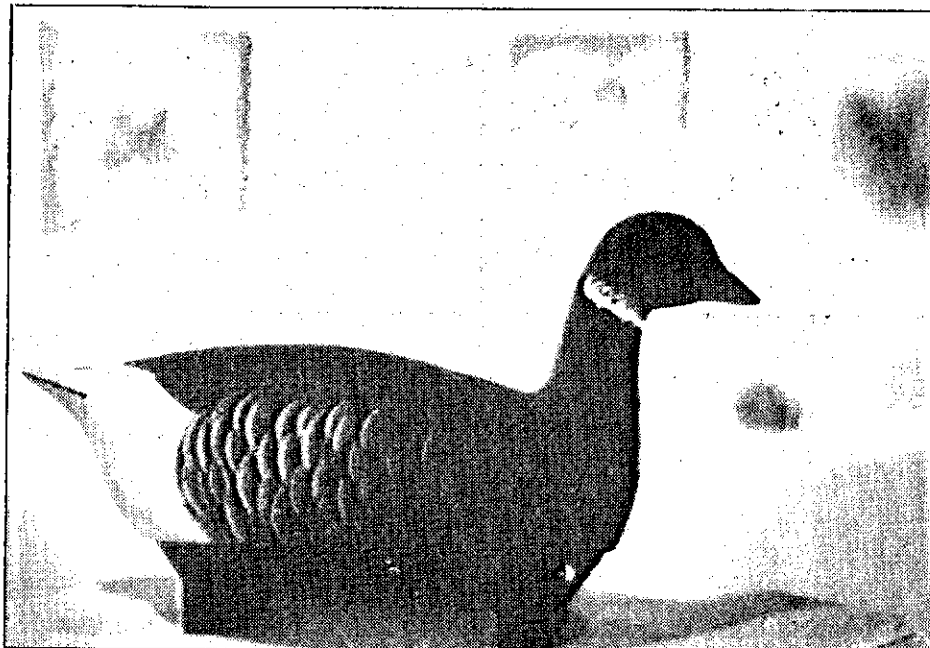

**Student dealers to be hit hard by Grisham**

By ROBERT CAMPUZANO  
TM Staff Writer

A new, tougher law is being proposed by Nowalk Assemblyman, Wayne Grisham to mandate intensive treatment of minors guilty of school related drug dealing.

As part of the bill's introduction, a public forum for anti-drug organizations, orchestrated by Assemblyman Grisham, was hosted at Cerritos College.

The new law, AB 3459, would force convicted dealers into drug rehabilitation and or detoxification programs, as well as forbidding them back into the public school system. These penalties would be imposed in addition to 40 hours of community service, as demanded by the existing law.

DUCKS AND WATERCOLORS — Carved duck decoys (above) by Joe Girtner and watercolors by Rudy Aguirre are featured in a special Exhibit in the Art Gallery through April 22. Public is invited. Aguirre retired last year.

## AT COMPTON TOMORROW

## Baseballers win seventh straight, go 3-0 in tourney

By JOHN WELSH

TM Managing Editor

Tomorrow at Compton the Cerritos College baseball team, winner of seven straight, begins the second of three rounds of South Coast Conference action.

This Saturday the Falcons, currently 22-6 overall and 5-1 in the conference, play at El Camino, the team responsible for Cerritos' only SCC loss.

Yesterday the Falcons were home against Pasadena (score not available at press time).

Outscoring its opponents 31-8, Cerritos won all three games it played in the Santa Maria Tournament last week, stretching its winning streak to seven.

Despite going undefeated in the round robin style tourney, the Falcons finished second place because of run differential.

Cypress won the tournament with a 3-0 record and plus-two better run differential.

Tourney action saw two Cerritos freshman pitchers win their first game and another record his sixth straight victory.

A 14-0 trouncing of Santa Clara Mission on Wednesday opened up tournament play for Cerritos. Trailing 5-4 in its second game on Thursday against Taft, Cerritos scored four runs in the fifth inning and eventually won, 9-5.

Six runs in the eighth inning of their third game against Cuesta Friday helped the Falcons wrap up the tournament with an 8-3 win.

Freshman reliever Dan Jensen allowed a run and four hits while striking out two and walking one in five innings pitched to record his first win.

Jensen (1-0) came in for starter Steve Vernola who went two plus.

"He hasn't been as consistent as we had hoped for," said Coach George Horton of Jensen. "But he did a quality job for us Friday. He made some big full count pitches to get out of some jams."

Gabriel Carmona hurled for two innings of relief work behind Jensen to pick up his third save of the campaign.

Cuesta scored a run in the first inning and one in the following inning off starter Vernola and added another run in the fourth inning against Jensen.

The Falcons ended the Cuesta shutout in the seventh with a solo run, making the score 3-1.

Ole Koehmstedt hit a one-out, two-run homerun in the eighth to tie the game before Cerritos would score three more runs on a two-out rally.

Jose Millares struck out for the inning's second out after Javier Fimbres hit a single.

Matt Hattabaugh, 2-for-3 with the bat in the Cuesta contest, walked to put runners on first and second. Bobby Magallenes stroked a double to bring both men home.

After Brian Grebeck walked, a double steal attempt brought Magallenes home and the Falcons led, 6-3. A base hit by Rod Benjamin brought home Grebeck for the inning's sixth run.

"The guy throwing had a good arm," Horton said. "Ole's homerun took the pressure off and we were able to have that hit parade."

Cerritos racked up 16 hits while its pitchers allowed three in a 14-0 smashing of Santa Clara Mission in the Wednesday opener.

The Falcons, leading 3-0, put five runs on the board in the sixth inning. They added

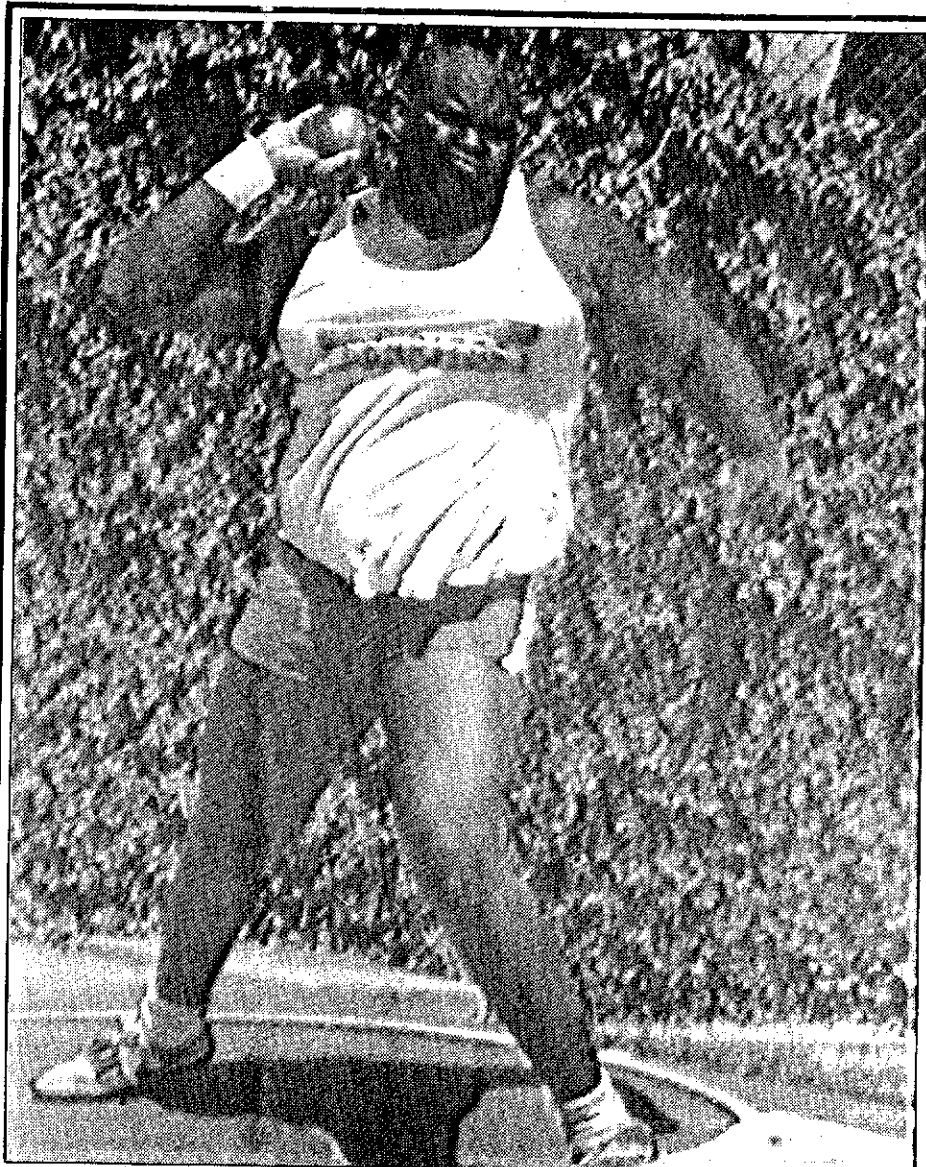

## Swingers ready for SCC's second round

South Coast Conference action begins to heat up for the Cerritos softballers this week, starting the second round of conference play this Friday at Golden West.

The Falcons, 16-10 overall and 6-3 in the SCC. They return home next Wednesday to play host to Mt. San Antonio.

four more in the eighth and scored twice in the ninth.

Starting for the first time, Chris Arnold, a freshman right-hander from Lakewood High, went six innings, allowed two hits and struck out one.

THROW OF INTENSITY — Falcon Jaime Cardriche took fourth place in shot put.

TM PHOTO By KENNY O'LEARY

"He is making progress in the bullpen," Horton said. "There's just a question of his control and command. We were really encouraged with his performance which puts him more in the picture of being used more."

It was Arnold's third appearance.

Tony Avila finished up the game and gave up one hit in three innings, recording his first save of the season.

Magallenes went 3-for-5 with the bat, including a double and triple. Mitch Hawk and Darrell Sherman both were 2-for-2 while Todd Guggiana was 1-for-3 with a double and three RBI.

Mark Nieto hit a second inning homerun.

The Falcons scored four runs in the first inning in Thursday's meeting with Taft. The Cougars, however, lit up the scoreboard with two runs in the fourth inning and three more in following inning.

In the bottom of the fifth, however, the Falcons made their own noise. Sherman, 3-for-4 in the game, hit a one out single and then stole second. He was 3-for-3 on stolen base attempts.

Sherman went to third on a wild pitch before Guggiana made it to first base on a fielder's choice. The Cougars tried unsuccessfully to get a racing Sherman at home plate.

Sherman's run made the score 5-5, still with one out. Guggiana stole second and Koehmstedt reached base because of a Taft error.

Grebeck then nailed a 2-2 fastball for a homerun and Cerritos led, 8-5. Rod Benjamin was 2-for-5 with the bat while Magallenes went 2-for-4.

Jimmy Griego, after relieving a slumping Pat Sweet, picked up his sixth straight win, going 3½ innings. Griego, 9-1 with a 4.46 earned run average, struck out six and walked five.

Starter Sweet, the 11-0 wonder worker last year, is currently 2-2 with an 8.06 ERA, the team's worst. He had another sour outing, allowing five runs, five hits, and walking six. Sweet struck out six.

"I'm searching," Horton responded to what it causing Sweet's struggles. "I wish I knew. He's in a slump. He's going to have to come through if we're going to be a championship team."

## National record set at Cerritos

BY KENNY O'LEARY

TM Staff Writer

A national record in the men's 3000 meter steeplechase was set in the Cerritos College hosted Southern California Relays last Thursday.

Riverside's Julius Karuik provided the fireworks.

Karuik took 7.5 seconds off the national record with his performance of 8:31.5. He amazed steeplechase fans by leaping or gliding over the water jump without getting his feet wet.

"The Southern California Relays were great with several new meet and stadium records being established," said Cerritos coach Dave Kamanski.

The Pasadena men's track and field team set a meet record of 1:24.27 in the men's 800 meter relay last Thursday.

Roughly 20 teams competed for first through fifth place medals.

The Falcons will be on the road as they travel to Fresno for the Fresno Invitational on Saturday.

Falcon highlights include a fourth place performance in the shot put by Jaime Cardriche, with a heave of the shot for a distance of 49-2.

Mike Zoeteway placed fifth in the javelin throw with a distance of 169-6.

Tim Rudkin, Ivan Guillory, Andy Nogal and Aurelio Trujillo made up the 3200 meter relay team that took fifth place with a time of eight minutes flat.

Dave Clark took sixth place with a polevaulting performance of 14 feet. He missed out on a medal winning performance by one inch.

In the 1960's an actor/director went looking for America—and created a new kind of film. The man was Dennis Hopper. Easy Rider was the film that defined an era.

As an actor and director, he has always gone to the edge, taking us places we'd never seen before. Easy Rider. Blue Velvet. Rivers Edge. Now, in 1988, we find director Dennis Hopper in the streets of Los Angeles. In a war zone where gang members and innocent people alike are killed over territorial emblems of red and blue. Over **COLORS**. And again, he takes us places we've never seen before with the first realistic motion picture about the war against street gangs.

To do it he has brought together an extraordinary cast and crew. All of them sharing a fierce devotion to the director's vision. And leading the cast, two motion picture actors of unparalleled intensity: Sean Penn and Robert Duvall.
