Colleges have to make the grade just like students.

Thursday and Friday, Cerritos College will be put to the test, so to speak, when a nine-member accreditation team comes to town to check out the campus.

Students and faculty members are encouraged to attend special "drop-in" meetings to share information and offer their input on Thursday from 11 a.m. to 12 noon and Friday from 7:30 to 9:30 a.m. in

BKIII

Accreditation, which takes place every five years, is a voluntary process, according to visitation preparation committee chair Donna Grossman, that "we participate in to evaluate ourselves and be evaluated by an outside source to confirm to the public, students and ourselves that we are providing viable educational programs and services.

"We evaluate and investigate ourselves — how we think we meet those standards," she said.

#### United Way sees record raiser

The campus United Way Campaign this year was the most successful in the past five with \$5,037 donated.
